

O.2 Laboratories and shops are safe for use by concerned students.

Computer laboratories are safe to use by the student of the Graduate Studies program for they are aware of the rules and regulations stated by the laboratory operations manual. A computer technician and a faculty member also are present during class discussions to assist the students on how to use the computer laboratory.

Republic of the Philippines
CATANDUANES STATE UNIVERSITY
College of Information and Communications Technology
Network Operation Center
Virac, Catanduanes

The Dean
College of Information and
Communications Technology
This College

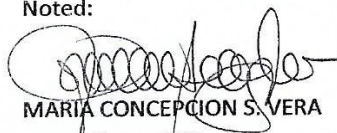

This is to submit the updated detailed inventory of CICT laboratory computer equipment and peripherals for the Period of January to June 2019 viz;

Sincerely,

REY T. REYES
CICT NOC Computer Operator

Noted:

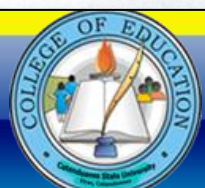

MARIA CONCEPCION S. VERA
Dean, CICT

Catanduanes State University
College of Information Communication and Technology
 Virac, Catanduanes
DETAILED INVENTORY OF COMPUTERS AND PARTS
