President's Report

BOARD OF REGENTS

HON. ALDRIN A. DARILAG
CHED Commissioner
Chairperson

HON. MINERVA I. MORALES
SUC President III
Vice-Chairperson

HON. EMMANUEL JOEL VILLANUEVA
Represented by Atty. Santiago T. Gabionza, Jr.
Chairman, Committee on Higher, Technical and
Vocational Education
Member

HON. MARK O. GO
Represented by Cesar V. Sarmiento
Chairman, Committee on Higher and
Technical Education
Member

HON. AGNES ESPINAS-TOLENTINO
Director, NEDA V
Member

HON. EMELITA P. BAGSIT
Officer-In-Charge, DOST V
Member

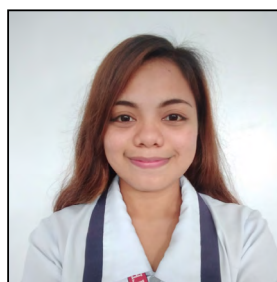

HON. JOEL T. OLFINDO
Vice-President, Federated Alumni Association
Member

HON. SERELINO T. TASARRA
President, Federated Faculty Union
Member

DIR. FREDDIE T. BERNAL
Director, CHED Region V
Resource Person

HON. JAQUELYN R. GEROMO
President, Federated College Student Council
Member

MR. RENATO M. PANTI
Board Secretary V

VISION

A green university globally engaged in island research and innovations for societal advancement

MISSION

Foster excellence, holistic outcome-based education compliant with the requirements of diverse world market and contribute to the development of productive and value-laden lives

GOAL

Upholding tradition of excellence in instruction, research extension and production functions in an eco-friendly environment

QUALITY POLICY

The Catanduanes State University commits to satisfy its clientele and all applicable requirements through the continual improvement of its quality management system processes, ensuring excellence in instruction, research, and community service for societal advancement

CORE VALUES

Respect	The university honors the rights, beliefs, and dignity of every individual to promote peace and harmony in the community.
Integrity	The university maintains the highest ethical standards and demonstrates honesty, objectivity and fairness at all times
Social Responsibility	The university takes part in the collective duty in improving the quality of life in the society
Excellence	The University commits to high standards in all aspects of its four-fold functions.
Commitment	The University continuously strives to achieve its vision, mission, and goal based on its value-system.

KRA 1

QUALITY AND RELEVANCE OF INSTRUCTION

The University continues to live-up to its vision of being dynamically driven by excellence in its instruction through quality education services provided to its students, making them proactive with their society's needs for development while instilling in them the values and moral principles that make them worthy global citizens.

PROGRESS OF CURRICULAR OFFERINGS

CURRICULAR OFFERINGS

AY 2020-2021

COLLEGE OF AGRI-FISHERIES

Master of Science in Agricultural Education
 Bachelor of Science in Agriculture
 Bachelor of Science in Agri-Business*
 Bachelor of Science in Fisheries*
 Certificate in Agricultural Science

COLLEGE OF ARTS AND SCIENCES

Master of Public Administration
 Diploma in Public Administration
 Bachelor of Arts in Political Science
 Bachelor of Public Administration
 Bachelor of Science in Biology
 Bachelor of Science in Economics
 Bachelor of Science in Environmental Science
 Bachelor of Science Mathematics

COLLEGE OF BUSINESS AND ACCOUNTANCY

Master in Business Administration
 Bachelor of Science in Accountancy
 Bachelor of Science in Accounting Information System
 Bachelor of Science in Business Administration
 Major Fields:
 Financial Management
 Human Resource Development
 Management
 Marketing Management
 Bachelor of Science in Entrepreneurship
 Bachelor of Science in Internal Auditing*
 Bachelor of Science in Office Administration

COLLEGE OF EDUCATION

Doctor of Philosophy in Educational Management
Doctor of Education Major in Educational Management
Master of Arts in Educational Management
Master of Arts in Filipino Education
Master of Arts in Guidance and Counseling
Master of Arts and Mathematics Education
Master of Arts in English
Master of Arts in Teaching Biology
Master of Arts in Teaching Chemistry
Master of Arts in Teaching Physics
Diploma in Educational Management
Bachelor of Elementary Education
Bachelor of Secondary Education

Major Fields:

English
Filipino
Mathematics
Science
Social Studies
Values Education

Bachelor of Technical-Vocational Teacher Education
Major in Food and Service Management
Bachelor of Culture and Arts Education*
Bachelor of Physical Education*

COLLEGE OF INFO. & COMM. TECHNOLOGY

Bachelor of Science in Information Systems
Bachelor of Science in Information Technology
Bachelor of Science in Computer Science*

PANGANIBAN CAMPUS

Bachelor of Science in Agriculture
Bachelor of Elementary Education
Bachelor of Technical-Vocational Teacher Education
Major in Food and Service Management
Certificate in Agricultural Science

Grade 1 – 6
Grade 7 – 10
Grade 11 – 12

COLLEGE OF INDUSTRIAL TECHNOLOGY

Master of Arts in Industrial Education
Revised Laddered Bachelor of Science in
Industrial Technology

Major Fields:

Automotive
Drafting
Electrical
Electronics
Food and Service Management
Garments, Fashion and Design
Mechanical

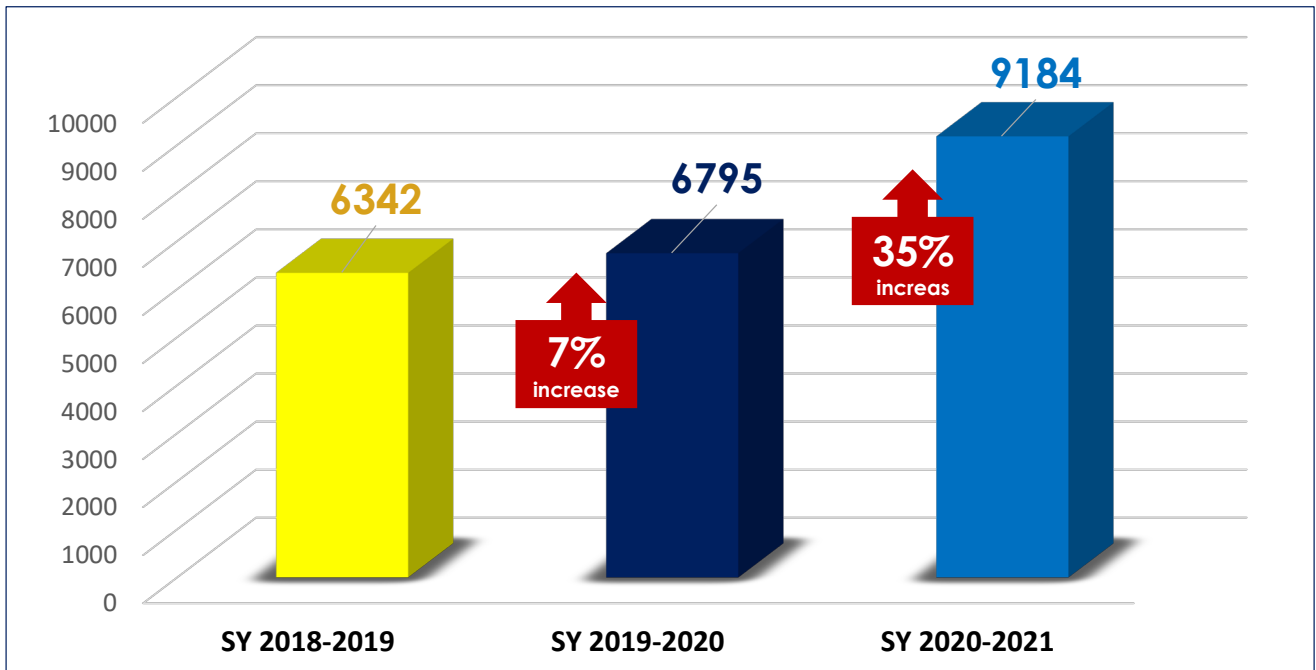

Certificate of Technology

Laboratory Schools

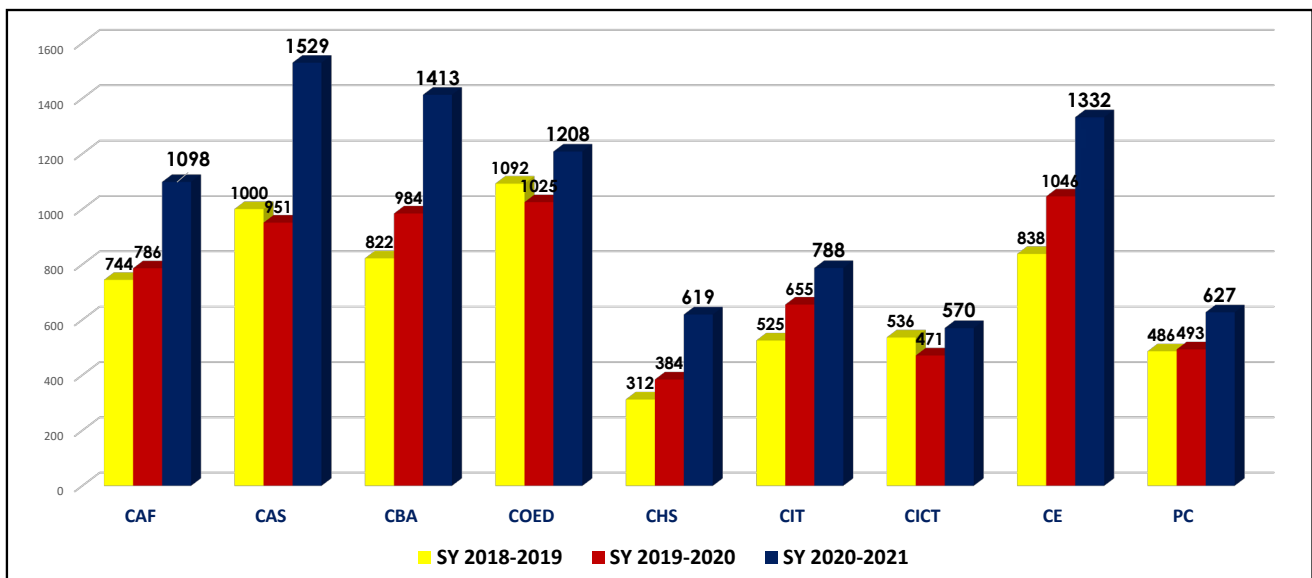

Grade 1 – 6
Grade 7 – 10
Grade 11 – 12

*New Curricular Programs

ENROLLMENT

Illustrated in the bar graph above is the data comparison of enrollment in the last three (3) School Calendar Years, with SY 2020-2021 having the most number of enrolled students. The data gathered covers both the Advance Education Programs and the Higher Education programs. Percentage showed the increase from 7% of SY 2019-2020 to 35% of SY 2020-2021, a good manifestation of trust and interest to continue with education at CatSU despite the pandemic that the world is currently into brought about by the novel corona virus.

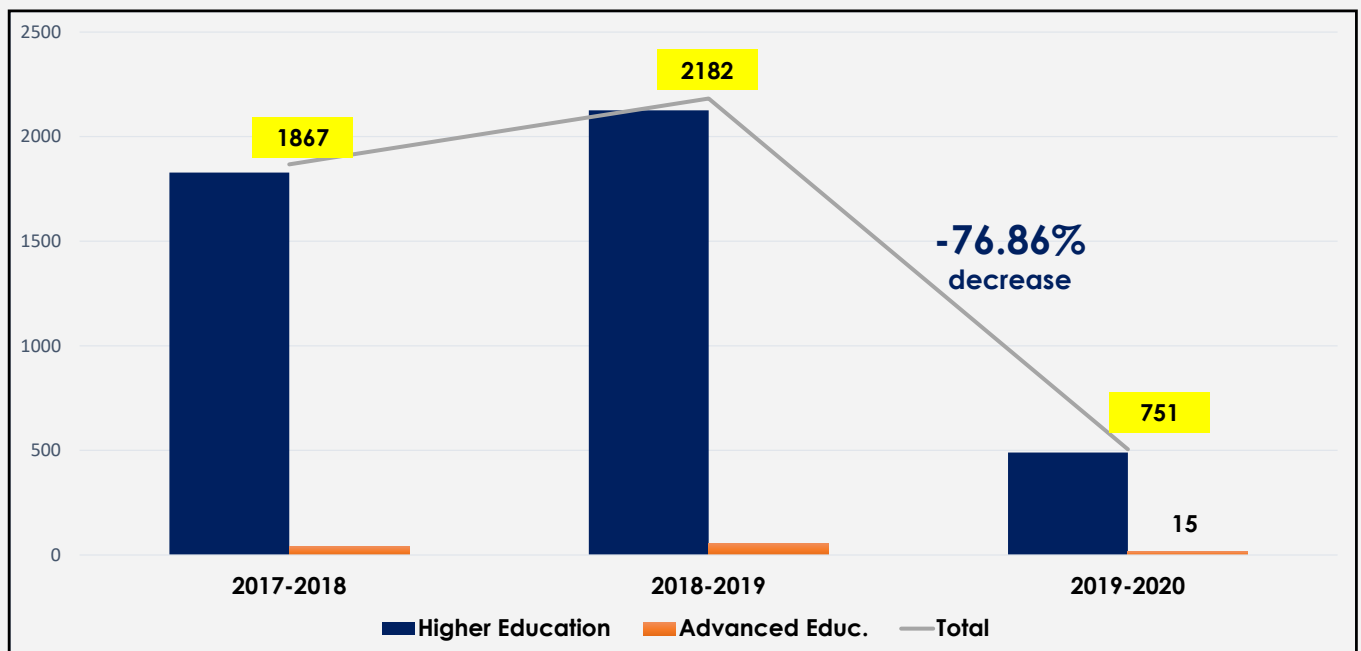

Over the last School Calendar Years, the SY 2020-2021 significantly showed the highest number of enrollees from amongst all of the colleges, with College of Arts and Sciences having the largest number of enrolled students (1529) for the said School Year, followed by the College of Engineering with 1332.

REPORT OF GRADUATES

The University Registrar recorded a total of 751 graduates from the Academic Year 2019-2020. In comparison as we date back to AY 2017-2018, it increased to 14.44%. But for AY 2019-2020, it dropped by 76.86%, having a total only of 736. It can be recalled that the National Lockdown with many provinces placed on Enhanced Community Quarantine, was made in effect beginning March of 2020 as ordered by the Inter Agency Task Force to fight against the Covid 19. The number of graduates has also been impacted by the K-12 system that begun its implementation in the Academic Year 2012-2013 which meant that the first cohort of students to go through the whole K-12 system will graduate from high school in 2024, pursue and finish college afterwards.

Faculty Profile

The teaching force of instruction continue to be the backbone of quality education services of the University. Through time, they have proven to excel in their respective disciplines, and in their areas of study. Their professional readiness and competence to provide relevant learning experience in the academe through continual learning and development and research activities have contributed in upscaling the desired deliverables for the period in review.

Catanduanes State U conducts faculty training on Online learning management system

The “new normal” has taken the doorsteps of schools. So with the Catanduanes State University (CatSU), an ISO-certified public higher educational institution in Catanduanes as it prepares for the coming academic year, 2020-2021.

Insofar as enrolment and holding of classes face-to-face as would the usual way lessons were provided prior to the Covid-19 scare, measures to sustain the learning system in the University led by Dr. Minerva I. Morales, CatSU President, were drawn as early as the Luzon-wide quarantine declaration began on March 17, 2020. The initiative was a prior step while the trend obtaining developments of the virus spread continuously pose alarm to the health and safety of all.

Dr. Maria S. Tugano, Vice-President for Academic Affairs, said that based from the present scenario, the University looks at providing alternative mode of learning based from validation conducted in the eleven towns by the Management Information System (MIS) Office concerning internet capability in the

province where there has been “unstable to no connectivity” at all in many areas. Hence, full online delivery of lessons would not be that feasible, although she added as an option, that faculty members are encouraged to adapt flexible learning approaches noting further that the University could deliver the lessons on the ground through modules.

Meanwhile, to prepare for the online platform, Dr. Tugano announced that the University staged its training in the implementation of Moodle Learning Management System (LMS) which started June 22, 2020 on per batch basis across the eight Colleges until July 28, 2020. Participants were 326 regular, temporary, contract of service, contractual and part-time faculty members from the Main Campus and its Panganiban Campus, including the Laboratory Schools.

The training designed by the University's College of Information and Communications Technology (CICT) led by its Dean, Prof. Maria Concepcion S. Vera, was held at the CICT Computer Laboratory Rooms, the College of

Engineering and the College of Industrial Technology. Resource persons were select faculty members from CICT and the College of Education.

Dean Vera explained that the LMS can be used as a vast repository where information can be stored and tracked where anyone with a user account and password can access these online learning resources, whenever, wherever. "For self-hosted LMS, users are required to install the LMS software on their hard drive or access to the University server. Whatever is the installation option, the LMS users fall into two categories: first, online learners who use the LMS to participate in online training courses; and, second, the e-Learning faculty team who relies on

the LMS platform to distribute information and update the online training content," Dean Vera said.

As students nowadays are becoming more adept with information technology, Dean Vera added that once students are online, they can access and download on the web the course materials and other learning resources which they could read at any time and take examinations depending on their learning progress, and so long as they are connected online.

On the other hand, soon that the LMS becomes operational, the University's Management Information System (MIS) office is expected to support the network being its site administrator that will take charge of its maintenance.

NATIONAL FEDERATION OF JUNIOR
PHILIPPINE INSTITUTE OF ACCOUNTANTS
YEAR END AWARDS 2020

Catanduanes State U sweeps awards in NFJPIA regional event

The Catanduanes State University (CatSU)- Junior Philippine Institute of Accountants (JPIA) Chapter in the College of Business Administration (CBA) under Dean, Prof. Esperanza P. San Juan, garnered majority of the winning spots in the Year-end Awards (YEA) conducted by the National Federation of Junior Philippine Institute of Accountants (NFJPIA), Region 5 Council on August 5, 2020 in Naga City.

Prof. Ian V. Aranel, JPIA Adviser, bared that this year's awards had the University's full in hugging the limelight, besting the rest of local chapters from other State Universities and Colleges (SUCs) in Bicol. Dr. Minerva I. Morales, CatSU President, expressed once more her appreciations to the College and to the local JPIA Chapter for this current feat which has added laurels to the University's strings of distinctions in student and institutional achievements.

The NFJPIA regional year-end awards covering federation year 2019-2020 through Danielle dL. Quitangon, Regional Vice-President for Audit, revealed the following majority wins for CatSU:

1. Most Outstanding Local Chapter Officer (Joriza Kate Zafe)
2. Most Outstanding Local Chapter President (Joriza Kate Zafe)
3. Most Supportive Local Chapter Adviser (Ian V. Aranel)
4. Most Outstanding JPIAN in Leadership (Joal Cocjin)
5. Best Local Chapter Activity in Academics (Catanduanes State University for Review Class for Incoming First Years Around the Province)
6. Best Local Chapter Activity in Leadership (Catanduanes State University for Financial Statement Workshop and Reconstruction or FS WAR)
7. Most Outstanding Local Chapter (Catanduanes State University)
8. Most Active Local Chapter (Catanduanes State University)
9. Most Productive Local Chapter (Catanduanes State University)

The YEA is an annual event of NFJPIA-Region V Council which primarily aims to give recognitions and merits to JPIANs who have excelled the most in every aspect of being a student leader and/or member of the NFJPIA community. The event likewise recognizes local chapters and individuals that made contribution with biggest impact to the council and showed exemplary performance during the academic year. The selection covered those events or activities that started February 15, 2019 until March 15, 2020.

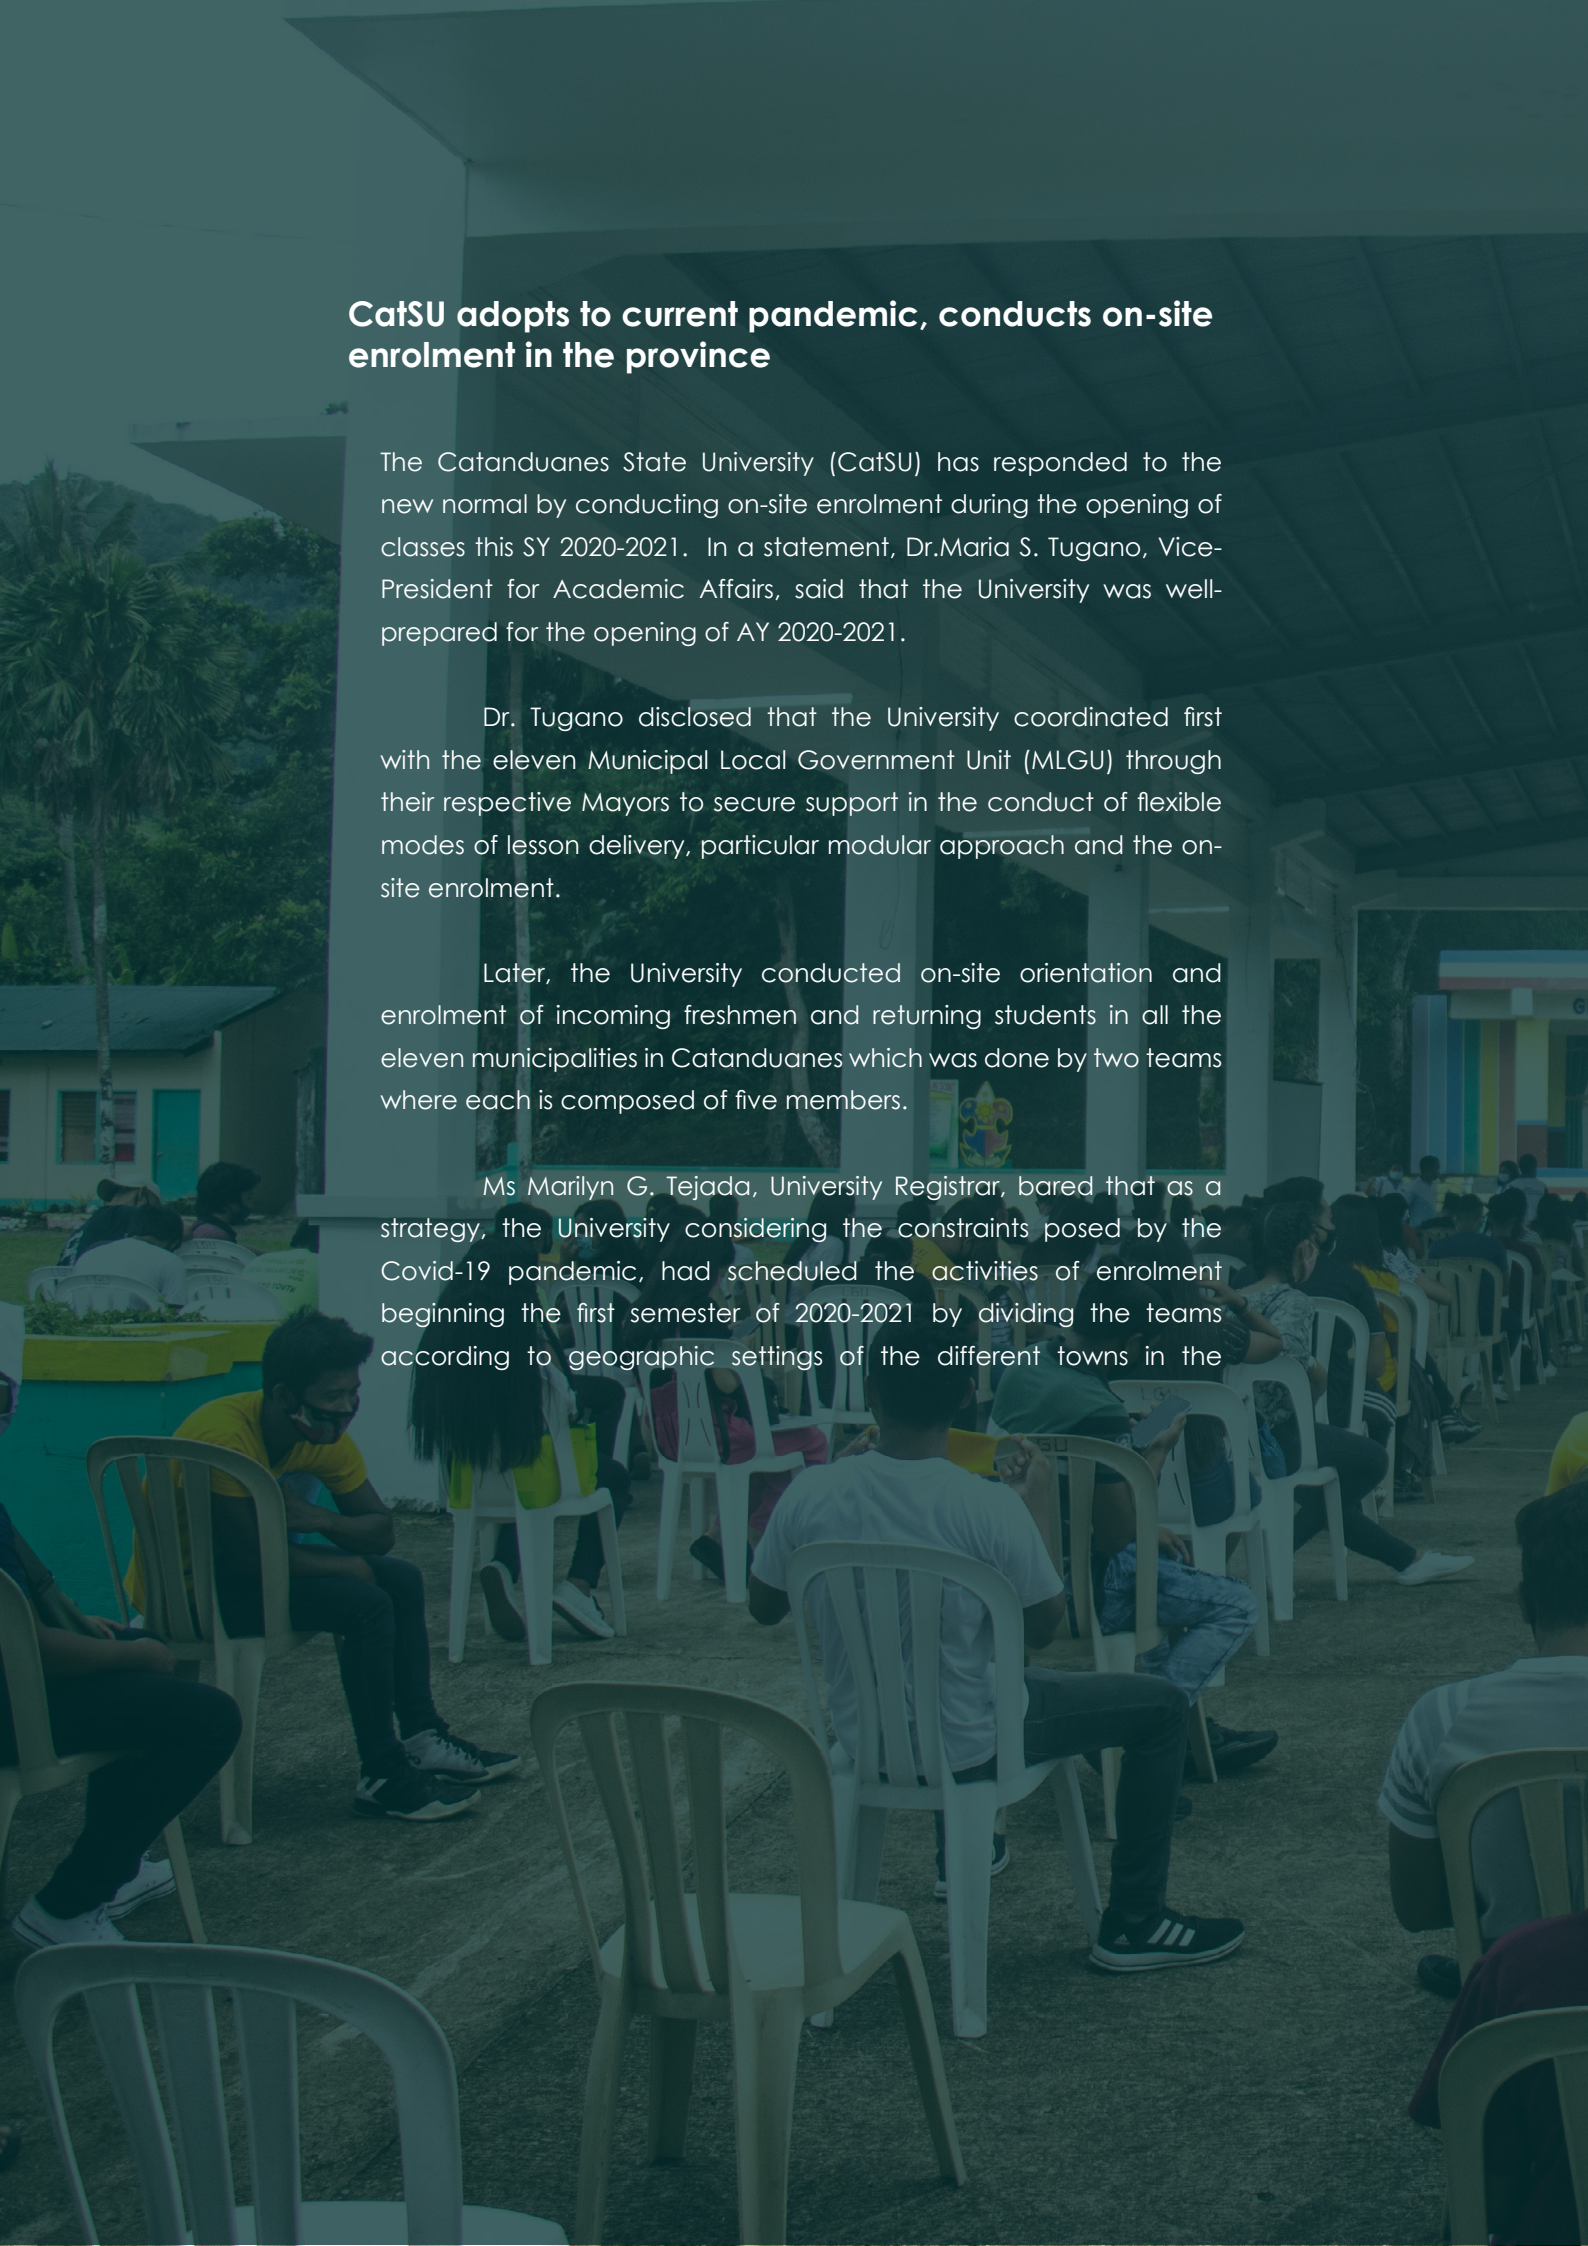

CatsU adopts to current pandemic, conducts on-site enrolment in the province

The Catanduanes State University (CatsU) has responded to the new normal by conducting on-site enrolment during the opening of classes this SY 2020-2021. In a statement, Dr. Maria S. Tugano, Vice-President for Academic Affairs, said that the University was well-prepared for the opening of AY 2020-2021.

Dr. Tugano disclosed that the University coordinated first with the eleven Municipal Local Government Unit (MLGU) through their respective Mayors to secure support in the conduct of flexible modes of lesson delivery, particular modular approach and the on-site enrolment.

Later, the University conducted on-site orientation and enrolment of incoming freshmen and returning students in all the eleven municipalities in Catanduanes which was done by two teams where each is composed of five members.

Ms Marilyn G. Tejada, University Registrar, bared that as a strategy, the University considering the constraints posed by the Covid-19 pandemic, had scheduled the activities of enrolment beginning the first semester of 2020-2021 by dividing the teams according to geographic settings of the different towns in the

province. She said that the Team A enrolling group worked on-site from June 22 – July 22, 2020 in the municipalities of Viga, Panganiban, Bagamanoc, Pandan, Caramoran, Gigmoto and Virac. Ms Tejada added that the Team B enrolling group likewise worked on-site on same schedule in the municipalities of San Andres, San Miguel, Baras, Bato and Virac.

In the case of Virac, the largest and capital town of the province, the University broken down its on-site enrolment in six clusters, with venues covering barangays Palta, Hawan Grande, Buyo, Capilihan, Sta. Elena, Antipolo, and the CatSU Covered Court.

The local government units in the different towns and their barangays concerned gave their support to the University during the rounds of on-site enrolment in which the latter turned out successfully done as scheduled.

49TH

COMMENCEMENT
EXERCISES

August 5, 2020

CatSU holds 49th commencement exercises in virtual mode

The Catanduanes State University (CatSU) held its 49th commencement exercises, this time apart from the usual ceremonies every year due to the Covid-19 scare. Preceded by a Holy Mass in the morning at the Immaculate Conception Cathedral, the activity was done through virtual mode in the afternoon at the CatSU main campus, on August 17, 2020 with the theme, "Sustaining Excellence Amidst the Challenges of the New Normal." There were 751 who graduated during the AY 2019-2020 where 66 of them came from the University's Panganiban Campus.

Officer –in-Charge President and CHED RO-V Regional Director, Dr. Freddie T. Bernal, led this year's commencement exercises, together with the different Deans, other school officials, and the faculty. This year's commencement speaker was Dr. Aldrin A. Darilag, Commissioner in the Commission on Higher Education (CHED) and Chairman of the CatSU Board of Regents.

Dr. Bernal, the University OIC President congratulated this year's batch of graduates as he exhorted them "to pursue one's dream, no matter what setbacks may come." He noted the difficult times that the graduates have come through with the onset of Corona virus pandemic.

"All of a sudden, our lives have become perplexing, unusual and uncertain, as we try to gather a sense of normalcy amidst the new normal. As recession, unemployment and health crisis beset our country today and the rest of the world, may you have every reason to earn a decent living commensurate to what you have attained, and be among the conscientious citizens as a nation," OIC President Bernal said in his message to the graduates.

Meanwhile, Commissioner Darilag expressed his appreciations to the graduates and challenged them to use their education to work for the nation. "You are fortunate to have been given the opportunity to earn your respective college degrees, at a time that the pandemic has significantly hit our education sector—that is, according to the UNESCO Covid-19 Educational Disruption and Response Task Force through its Global Monitoring Report on School Closures, more than 3.5 million Filipino college students have been affected by the pandemic," Comm. Darilag said.

"Your experiences and your perspectives," said Comm. Darilag, "will shed light on the university's pursuit to better understand how the challenges in the new normal can be addressed; and we invite you to continue your commitment to the values and truths of the university, that is, to sustain excellence not only to yourselves but for the advancement of Catanduanes and of the entire country."

FCSC AND THE OIC PRESIDENT. To grace the start of office the Officer-in-Charge (OIC) President of the Catanduanes State University (CatSU), Dr. Freddie T. Bernal, the Federated College Student Council (FCSC) led by its Vice-President, Mr. Renz Mickenly Tanael, and with the Director of Student Affairs, Dr. Aurora E. Araojo, conducted a visit and dialogue, August 8, 2020 with the OIC President to thresh-out issues and concerns pertaining student welfare insofar as under the new President's term is concerned.

Student body meets the new CatSU OIC President

The Federated College Student Council (FCSC) led by its Vice-President, Mr Renz Mickenly Tanael, and the different officers of Student Body Organizations (SBOs) met with the new Officer-in-Charge President of the Catanduanes State University (CatSU), Dr. Freddie T. Bernal on August 8, 2020. The student body was accompanied during the meeting by Dr. Aurora E. Araojo, Director for Student Services Affairs and Legal Services Chief, Atty. Nikko Rey Aicetel M. Santelices.

Dr. Bernal called-up a meeting with the student body to discuss matters concerning their present setup in the new normal, especially when no face-to-face classes are allowed except flexible learning approaches such as online or modular approaches. The consultative meeting threshed out issues that would help students adopt to the current learning situation and how support would be channelled to them.

Tanael disclosed that the OIC President solicited from the student body their current concerns that would need support from Local Government Units (LGUs) as well, aside from what the University could intervene for them to move along the present learning setup under the new normal. The student body during the meeting agreed to pass a resolution in this regard to secure support from LGUs in the province.

Evangelista, Toyado qualify for Canada SEED program scholarship

Started under CatSU President, Dr. Minerva I. Morales' term, another batch of qualifiers from Catanduanes State University (CatSU) is off to Canada as scholars under the Canada-ASEAN Scholarships and Educational Exchanges for Development (SEED) program. Its first batch was recently completed last July 2020 by non-teaching staff, Mr. John Edmund P. Manlagnit of the University's Public Relations and Media Communications Services (PRMCS) Office.

In an advisory, Ms Le Li, Senior International Specialist in the International Office of the University of Saskatchewan, Canada, informed the CatSU through its Director for International Affairs, Dr. Joseph G. Zafe, that Prof. Abelisa D. Evangelista and Engr. Dexter M. Toyado both qualified as recipients of the SEED program. The two faculty members received their scholarship by Global Affairs Canada in the 2020 SEED scholarship competition for research at the University of Saskatchewan from January 5, 2021 until June 30, 2021. Prof. Evangelista is currently Director of CatSU's Abaca Technology Innovation Center (ATIC), while Engr. Toyado is Director of the Center for Climate Change Solutions. The SEED grantees paid their courtesy visit to the Officer -in-Charge President of CatSU, Dr. Freddie T. Bernal along with International Relations Director and Mr. Manlagnit, the first batch scholarship grantee.

The SEED program provides students from member states of the Association of Southeast Asian Nations (ASEAN) with short-term exchange opportunities for study or research in Canadian post-secondary institutions at the college, undergraduate and graduate levels.

Funding for SEED scholarships is made available by Global Affairs Canada through its legal title, the Department of Foreign Affairs, Trade and Development (DFATD). The Canadian institution will receive funding from DFATD for all successful candidates in the form of a contribution agreement and will be responsible for providing the funds for scholarship recipients.

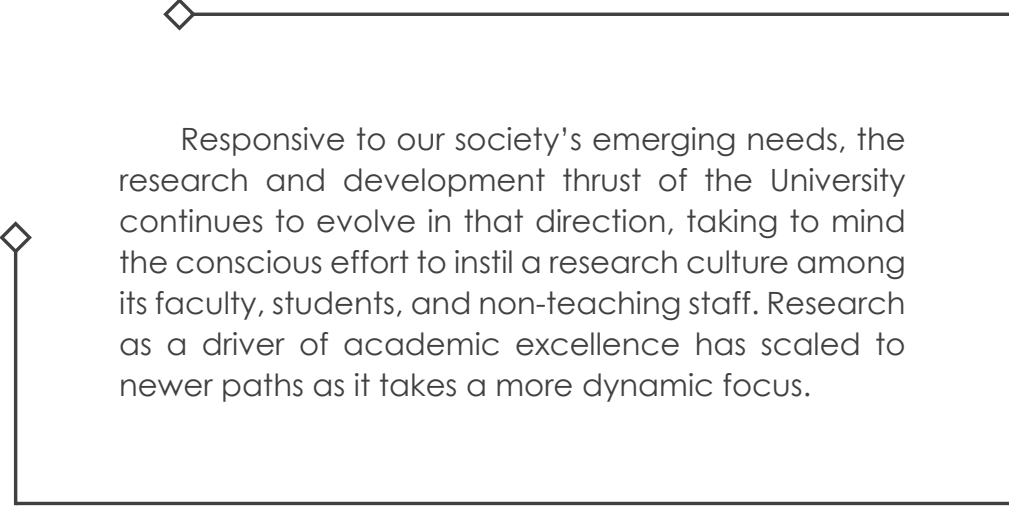

SEED PROGRAM. The first and second batch of CatSU faculty and non-faculty SEED Program scholars under the auspices of the Canadian government through the Saskatchewan University conducted a meet-and-greet and conference with the new OIC-President, Dr. Freddie T. Bernal.

RESEARCH AND CREATIVE WORKS

Responsive to our society's emerging needs, the research and development thrust of the University continues to evolve in that direction, taking to mind the conscious effort to instil a research culture among its faculty, students, and non-teaching staff. Research as a driver of academic excellence has scaled to newer paths as it takes a more dynamic focus.

PROGRAM ACE-HEMS Academe for Community Empowerment Holistic and Ecosystem-based Approach for Mangrove Sustainability	Through the University Extension Services (UES), the Catanduanes State University (CSU) proposed the "Academe for Community Empowerment through Holistic and Ecosystem-Based approach for Mangrove Crab Sustainability (ACE-HEMS) underscoring the mangrove crablets as the main commodity. It is predicted that fishers and coastal dwellers who are vulnerable to the effects of anthropogenic factors and climate change will not earn significant benefits in the mangrove crabs enterprise unless a holistic and ecosystem-based intervention is laid.	2 years Process of funding is still ongoing	Commission on Higher Education National Agriculture and Fisheries Education System (CHED-NAFES)	P10,000,000.00
RESEARCH STUDY "Breaking the Silence of Island-based Teachers: Experience of Teachers' Principal Support and Mistreatment of Teachers"	The project falls within the thematic area on Human Rights and Governance as well as Development of Human Rights as seen in the Educational Justice perspectives. Aside from the fact that the university benefits from this study, the empirical qualitative data will be of value to the body of scholarship in this neglected field in Educational Justice & School Governance.	November 2019 to November 2020	Commission on Human Rights (CHR)	P500,000.00

RESEARCH ACTIVITIES

CMRM-SESCID IN ACTION. With the Catanduanes Mangrove Resource Mapping and Stakeholders' Engagement for Sustainable Crab Industry Development (CMRM-SESCID) Project funded by the Department of Agriculture-Philippine Rural Development Project (DA-PRDP), technology adaptors were identified and technology hub was established at CatSU Fisheries, Palnab, Virac, Catanduanes. This hub was visited last January 29, 2020 by the Philippine Rural Development Project (PRDP) South Luzon I-Plan Head, Ms. Jo Marie Libarnes; Department of Agriculture-PRDP Planning Officer, Ms. Amabel M. Naldo; and South Luzon Finance Analyst, Mr. John Socito together with the research team and staff.

RESEARCH ACTIVITIES

FOR SUSTAINABILITY. As per recommendations during the 8th World Bank Mission Subproject Presentation last May 2019, the CMRM-SESCID team investigated the usage of the Filternet also known as “Bayakos Fishing Gear” in the province. They also also identified a zone in the municipality of Panganiban, Catanduanes as one of the Mangrove-Protected Areas (MPAs) in the province.

KRA 3

TECHNICAL ADVISORY AND COMMUNITY ENGAGEMENT

The CatSU has been immersed at the forefronts of rural communities in extending its services arm to the needy and underprivileged sectors of society. Through different modes of technical assistance, livelihood trainings, values orientation, skills enhancement, etc. the University responds to these needs while making itself relevant to its mission of contributing to societal development

CEREALS Production - Sept 9-15,2020 CatSU Techno Demo Park - Agri Students

AGRI. IN ACTION. Agricultural endeavor in a rural setting like Catanduanes province takes a good start for young and would-be agriculturists. Technology exposure and production pilot areas had the CatSU agriculture students take the stage in cereals and palay production, a promising new wave of Catandunganon agriculture warriors honed from the Catanduanes State University.

STUDENT OUTREACH. The Federated College Student Council (FCSC) has taken the road to extend their hands beyond the corners of the school. Led by Mr. Renz Mickenly Tanael, FCSC Vice-President, the student body reached as far as the different barangays of Virac and Bato in visiting their fellow students who have been caught in distressed situations during this time of pandemic. Hygiene kits and other provisions were provided to them personally from the FCSC.

FCSC conducts donation drive in needy areas

The Catanduanes State University (CatSU) Federated College Student Council (FCSC) did not take it sitting down during new normal times. Aside from attending to their various schedules in the online learning, they found it worthy to look the other way for other humanitarian causes to their fellow students especially those living in the distressed areas of the province.

Mr. Renz Mickenly Tanael, FCSC Vice-President, disclosed that the student body pooled resources and conducted donation drive to CatSU students in the different barangays in Bato, and those who are temporarily residing as boarders in Virac. The body distributed some 105 pcs of hygiene kits on September 4, 2020 with fellow officers as well from Student Body Organizations (SBOs) in the different Colleges.

CatSU INTENSIFIES CAMPAIGN AGAINST COVID-19

We are one in this fight together. This is the norm that the Catanduanes State University (CatSU), under its SUC President III, Dr. Minerva I. Morales, shares with the rest of the different sectors of society in the current fight against the Corona Virus Disease -19 pandemic as she led in personally distributing facemasks produced by the University's College of Industrial Technology (CIT) to the different frontliners in the province, including the men in uniform of the Catanduanes Police Provincial Office / Virac MPS. PCOL Paul F Abay is the current PNP Provincial Director, while PMAJ Bon Billy D Timuat is Virac's Acting Police Chief.

Earlier, Dr. Morales likewise personally turned over to Acting Governor Shirley A. Abundo the University's Hand Sanitizer Enhanced with Abaca Extract determined to have anti-microbial properties. The product was based from the CatSU's research and made possible through the University's Abaca Technology Innovation Center (ATIC).

It was also reported that aside from facemasks and hand sanitizers, rice, cash donations and food packs were likewise dispensed by the University to other recipients in the province who remain on the frontlines in the fight against CoViD-19.

CHED ACKNOWLEDGES CatSU INITIATIVES AGAINST COVID-19 PANDEMIC

The Commission on Higher Education (CHED) through Chairman J. Prospero E. de Vera III, acknowledged the Catanduanes State University's (CatSU) efforts in helping the fight against Corona Virus Disease -19 (Covid-19).

Dr. Minerva I. Morales, CatSU President, said that the University was able to share 40 liters of hand sanitizers, 500 clinical gloves, 1,000 face masks that were produced by the College of Industrial Technology (CIT), 300 kls rice, cash donation of P10,000, and food support to frontliners.

The hand sanitizers were enhanced with Abaca Extract and found to have anti-microbial properties out of the research conducted by CatSU Professors, Abelisa Evangelista and Rosell Ibardaloza.

The said provisions were turned over to the Catanduanes Provincial Government led by Acting Governor, Hon. Shirley A. Abundo; the Provincial Health Office (PHO), Provincial Inter-Agency Task Force, Security Services, Frontliners, and the target Communities as well.

Dr. Morales also thanked the key persons of the University behind the move, namely: Dr. Maria S. Tugano (VP-Academic Affairs), the Deans in various Colleges; Prof. Moreno Tabios Jr. (Arts and Sciences), Jose G. Ong (Industrial Technology), Epifanio Rubio (Agriculture and Fisheries), Rosana S. Abundo (Education), Esperanza P. san Juan (Busienss and Accountancy), Jocelyn Ll. Jordan (Health Sciences), Engr. Pedro Arcilla Jr. (Engineering), Maria Concepcion Vera (Information and Communications Technology), together with Dr. Aurora E. Araojo (Director for Student Services), Dr. Felix Ma III (Medical Officer), and other faculty members, Renei Avila, Monette Tugay, Prescilla Gianan, Joven Añonuevo and Ben Molina.

CatSU LAUNCHES HAND SANITIZER WITH ABACA EXTRACT

The Catanduanes State University (CatSU) led by SUC President III, Dr. Minerva I. Morales, launched the product, Hand Sanitizer enhanced with Abaca Extract on March 26, 2020. The sanitizer's abaca extract is found to have anti-microbial properties based from the Research conducted by the CatSU. Dr. Morales said that the product follows the protocol of the World Health Organization (WHO).

The University's Abaca Technology Innovation Center (ATIC) manned by its Director, Prof. Abelisa Evangelista, spearheaded the production of the sanitizer in immediate response to the challenge posed by the Covid-19 scare which has claimed lives and spread its fatal effect, particularly to medical frontliners in many parts of the world, including the Philippines.

In its response, the Catanduanes State University during its urgent meeting led by its President, Dr. Minerva I. Morales, convened key officials and personnel of the University to come up with immediate plan of action needed to share in the government's efforts to combat the dreaded disease and help save more lives, particularly in the island province of Catanduanes.

The idea came up with the University's research on anti-microbial properties of Abaca. The province of Catanduanes is known as top producer in the country and a leading producer throughout the world of Abaca (*Musa textilis*). The CSU's research on Abaca revealed its positive antimicrobial properties. Thus, the hand sanitizer's enhanced mixture of Abaca extracts, following the WHO protocol.

Earlier, Dr. Morales announced that with the University's initiative to develop the hand sanitizer with Abaca Extract, it will be produced initially for 100 bottles which will be turned over to the Local Government Unit (LGU).

The launching precedes the University's mass production of the hand sanitizer with Abaca extract for distribution to the Local Government Units (LGUs) and Medical Frontliners in Catanduanes with the on-going fight worldwide against the deadly Corona Virus -19. This forms part of the CatSU's share in helping massive efforts to contain the spread of the Covid-19.

On the other hand, the CatSU through its Academic Division led by its Vice-President for Academic Affairs, Dr. Maria S. Tugano, also pooled donations for the purchase of materials worth P5,000 for the mass production of face masks. The College of Industrial Technology (CIT) under its dean, Arch. Jose G. Ong, and its faculty, worked hand-in-hand in the production of face masks that will also be given to medical and non-medical frontliners in the province of Catanduanes, particularly those within the locality of Virac, the captal town.

Alongside with that, the CaSU through its President, Dr. Minerva I. Morales, facilitated the donation of 5 boxes of gloves and P10,000.00 cash received by the Eastern Bicol Medical Center (EBMC) in Virac, Catanduanes.

CatSU-UP CATANDUNGAN CHAPTER IN PARTNERSHIP FOR PPE PRODUCTION

In its response to the current CoVID-19 pandemic, the Catanduanes State University (CatSU) in partnership with the University of the Philippines (UP)-Catandungan Chapter this time aims to produce 70 sets of Personal Protective Equipment (PPE) for frontliners.

Dr. Minerva I. Morales, CatSU SUC- President III, revealed that this initiative is also in cooperation with the different Deans of the Colleges, Department Heads, and faculty members. Dr. Maria S. Tugano, Vice-President for Academic Affairs said that the University's partnership with UP-Catandungan for the production of PPE's has been a shared effort of the CatSU academic community where they helped raise funds for the project.

The UP-Catandungan group is also set to shoulder part of the labor cost, together with the CatSU. The materials to be used for PPE were shipped to the University on April 16, 2020 while the design of which was already firm-ed-up with the University's College of Industrial Technology (CIT).

LEND A HAND FOR THE NEEDY WITH CATANDUANES BAYANIHAN MOVEMENT AT CatSU DURING COVID-19 CRISIS

The Catanduanes Bayanihan Movement launched on April 12, 2020 (Easter Sunday), 7:30am at the Catanduanes State University (CatSU) headed by SUC President III, Dr. Minerva I. Morales, a "share and take booth" for those economically deprived as a result of the current Corona Virus Disease-19 (CoViD) pandemic. The project has its "Take or Share Booth" set up in front of the CatSU from 7:30am until 9:30am, three times in a week starting at the launching date. During said serving time, recipients are free to get one packed rice and another one or two provision of choice available for the taking at the booth. Future dates and venues of the Bayanihan will be announced later as revealed by the Bayanihan movement. Target of the said initiative are the less fortunate families or individuals that are hard-hit during the period of quarantine due to the CoViD-19 pandemic, now sweeping across the globe.

The Catanduanes Bayanihan Movement at CatSU benefitted more than 150 families in its first wave of assistance on Easter Sunday, as reported. Other CatSU officials, faculty members and non-teaching employees were likewise on hand during the launching, said to be the first wave of said initiative.

The Movement knocks spiritedly to more generous hearts in the locality (or even outside the province) to pledge or share either in cash donations or in kind for sustaining the succeeding provisions that can be availed for free by needy individuals or families in the province who have been caught haplessly in the middle of the CoviD-19 crisis. The appeal for everyone's support, especially alumni of the CatSU, is shown in the Movement's set-up FACEBOOK PAGE, "CATANDUANES BAYANIHAN MOVEMENT." Please feel free to visit the page and/or contact key officers thereof.

On the other hand, the CatSU Bayanihan Movement (Take or Share Project) EXTENDS ITS SINCEREST APPRECIATIONS AND GRATITUDE TO THE DONORS OF ITS FIRST WAVE OF SUPPORT to the various recipients in the locality. It continuously counts on your generosity to keep the flame of love and compassion for the needy ablaze and heal everyone's deep longing for care and a lending hand to feed both body and soul in these trying times.

CATANDUANES BAYANIHAN MOVEMENT CHRONICLES

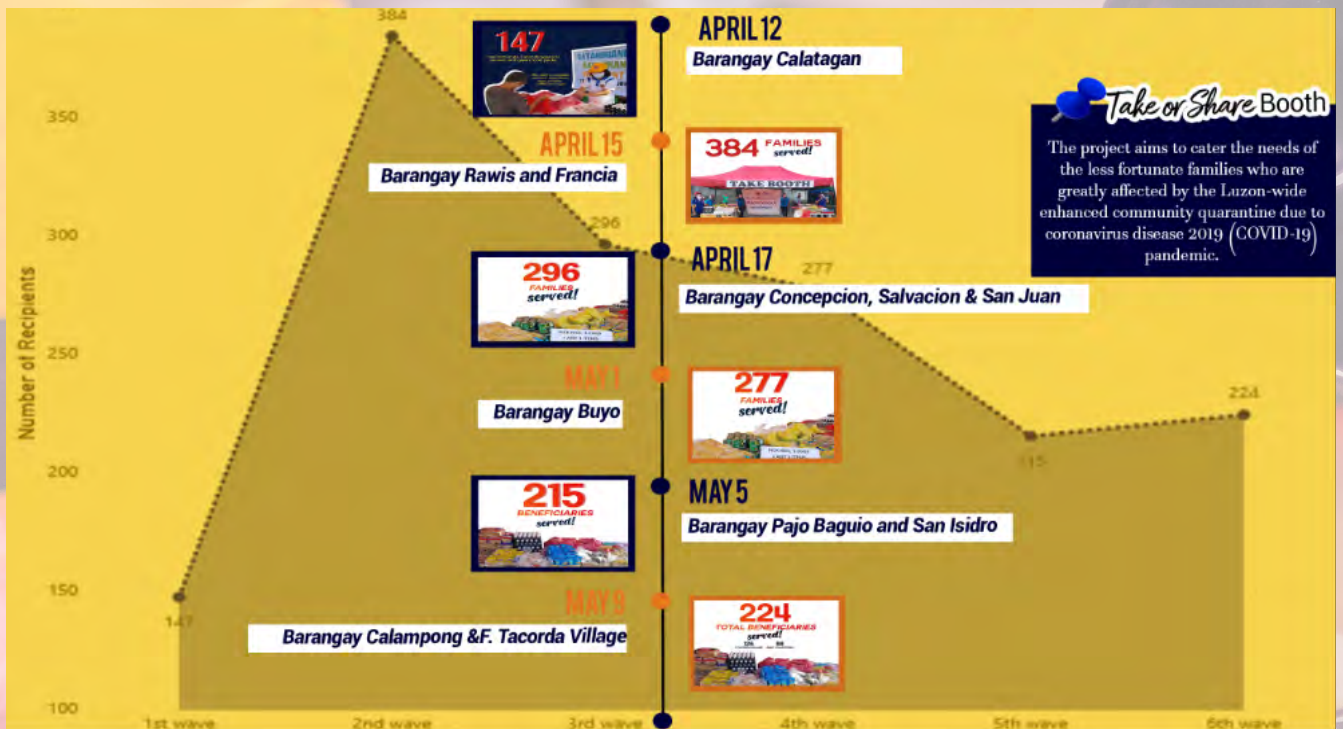

SUMMARY OF BENEFICIARIES

VOAG

SECURITY OF PROPERTY IN CABUGAO

Cabugao, Virac

Lot Area: 0.6417 Ha

CatSU has sent an Affidavit of Adverse Claim for Lot No. 1335 to the heirs of Cipriano Guerrero. It also sent a letter to the Punong Barangay regarding the names of the illegal settlers in the area, which was later received by the CatSU on September 23, 2020. The list was endorsed to the Legal Officer and will soon send a Letter to Vacate.

CatSU Officials meet new OIC

The school officials of the Catanduanes State University (CastSU) composed of its Vice-Presidents for Academic Affairs, Finance and Administrative Affairs, and Research, Extension and Production Affairs, the Campus Administrator in Panganiban, the Deans, Directors, Laboratory School Principal, and the Chief of Offices were met in a conference by the University's Officer in Charge (OIC), Dr. Freddie T. Bernal on August 7, 202 at the CatSU Gymnasium. Dr. Minerva I. Morales, SUC President III, was likewise present during the general conference.

Dr. Bernal is presently the Regional Director of the Commission on Higher Education (CHED) Regional No. 5 in Legazpi City. He hails from San Miguel, Catanduanes and likewise an alumnus of the University. He was also recipient of the Outstanding Catandunganon Award in Education.

The Board of Regents(BOR) of the Catanduanes State University in its Special Board meeting on July 30, 2020 designated Dr. Bernal who also sits as Resource Person in the BOR, as Officer-in-Charge of the University effective August 1, 2020 through a Referendum Letter No. 4, S. 2020.

Midyear performance review kicks-off, rolls out plans, directives with key school officials

The Catanduanes State University (CatSU) conducted its Mid-Year Physical and Financial Performance Review on August 11, 2020 at the University Auditorium, following health safety protocols in light of the current Covid-19 pandemic.

Dr. Freddie T. Bernal, the CatSU Officer –in-Charge (OIC) and currently Regional Director of the Commission on Higher Education (CHED) Regional Office No. 5 based in Legazpi City, presided over the activity. In attendance were the University's Vice-Presidents, Campus Administrator, Deans of the Colleges, Directors, Principal Laboratory School, Officers of Student Support Services, Chiefs of Offices, Chairperson of the Project Monitoring Committee, BAC Secretariat Head, Federated Faculty Union President, Federated College Student Council President, and the CASUNEA President.

The activity laid out the key sectors' mid-year accomplishment, including their respective catch-up plans while major issues and concerns regarding their targets and performance were threshed-out with Dr. Bernal, the University OIC. Key inputs to the plan, including directives and re-calibrations on presented reports were discussed during the whole day activity.

Dr. Bernal emphasized that tracking planned activities or programs must be thoroughly monitored on a monthly basis, while parameters must be based on quality. He stated the value of passion in dedicating their work to accomplish the plans as reported during the review session, and encouraged aligning them with that of the Provincial or Local Development Plans of the province as well.

On the other hand, Dr. Bernal said that the University could take advantage of the province's unique ecology while at the same time, ventured on expanding tie-ups with other local agencies and other international bodies which could support funds and other resources needed to supplement the University's research agenda.

CatSU PC Officials meet new OIC

The school officials, faculty and non-faculty members of the Catanduanes State University (CatSU) – Panganiban Campus were met by the Officer-in-Charge President of the Catanduanes State University, Dr. Freddie T. Bernal, who is also concurrently Regional Director of the Commission on Higher Education (CHED) Regional Office No. 5. Campus Administrator, Dr. Edna A. Pante led the Panganiban Campus community in meeting the OIC President during the general conference held on August 17, 2020. Dr. Bernal infused re-direction of thrusts and discussed matters pertaining urgent development planning concerns for the CatSU Panganiban Campus. Other stakeholders and agency representatives were likewise present during the discussions held at the CatSU Panganiban Campus function hall.

CatSU joins Philippine Civil Service anniversary kick-off ceremonies

The Catanduanes State University (CatSU) led by OIC President and CHED RO-V Regional Director, Dr. Freddie T. Bernal, joined the rest of the Philippine public sector in celebrating this year's 120th Civil Service anniversary in a kick-off ceremony held September 7, 2020 at the CatSU grounds. The event started with an Invocation led by CBA Dean, Prof. Esperanza P. San Juan, followed by flag raising, and later community singing of Inang Catandungan and the CatSU hymn.

OIC -President Bernal emphasized in his message before the school officials, heads of offices, Deans, faculty and non-teaching staff during the activity the essentials of outstanding public servant anchored on public trust. He said that it could be gained through dedication and commitment to service. "The CatSU needs a stronger collaborative effort of all employees to be at par with the trends and demands of the academic sector, especially with the advent of new technology that has brought so many changes in the education system," Dr. Bernal said.

The OIC-President likewise announced that the Department of Information and Communications Technology (DICT) has proposed a budget of P13.4 billion to be allotted to the National Broadband Programs (NBP). "It is aimed to improve digital connectivity for faster and more accessible internet connection that would benefit all CHED smart campuses around the country to help face the challenges of education in the new normal," Dr. Bernal said.

Later in the ceremony, a photo-op of CatSU community was held at the University grounds. This year's theme for the 120th Philippine Civil Service anniversary is "Philippine Civil Service @ 120: Public Sector in the Age of Digital Transformation."
