CATANDUANES STATE UNIVERSITY

ANNUAL REPORT 2022

About the Cover

This year's cover concept for the Catanduanes State University (CatSU) Annual Report, 2022 depicting the splendid spread of Sunflowers in various shapes, and in varied hues bypassing almost half of the University's drawn façade creates a simple yet resounding message of optimism, vibrancy, and radiance of Hope shown in its blossoming golden yellow petals ahead of its backdrop of faintly painted hues. The message is drawn straight over the institution's façade, imbibing it in full assembly of cadence towards an impeccable spirit of CatSU to face the present and its posterity in another golden lining of a prosperous, transformative and development-driven institution in the island province of Catanduanes.

Republic of the Philippines
Catanduanes State University
Virac, Catanduanes

June 6, 2023

His Excellency
PRESIDENT FERDINAND R. MARCOS JR.
Republic of the Philippines
Malacañan Palace, Manila

Sir:

Greetings from the Catanduanes State University!

It is with deep honor that we submit to your Office the Annual Accomplishment Report for 2022 of the Catanduanes State University.

The report reflects the significant contribution of the University shown in its milestones and achievements subsumed in the Key Result Areas and other services in moving the country's educational agenda towards collective national development.

Maraming salamat po!

Very truly yours,

PATRICK ALAIN T. AZANZA, Ph.D., J.D.
SUC President-III

VISION

Globally-recognized green research University
committed to excellent service to the nation

MISSION

Foster excellence, holistic and inclusive
education attuned to the demands of a diverse
world towards the formation of productive and
value-laden lives

GOAL

Hold the tradition of excellence in instruction,
research, extension and production geared
towards a strong academe-industry interface for
societal development

QUALITY OBJECTIVES

The Catanduanes State University commits to satisfy
its clientele and all applicable requirements through
the continual improvement of its quality management
system processes, ensuring excellence in instruction,
research, and community service for societal
advancement.

CORE VALUES

Respect- The University honors the rights, beliefs, and dignity of every individual to promote peace and harmony in the community.

Excellence- The University commits to high standards in all aspects of its four-fold functions.

Social Responsibility- The University takes part in the collective duty in improving the quality of life in the society.

Commitment- The University continuously thrives to achieve its vision, mission and goal based on its value system.

Integrity- The University maintains the highest ethical standards and demonstrates honesty, objectivity, and fairness at all times.

ABOUT CATSU

Catanduanes State University's beginning dates back to June 18, 1961 when Republic Act 3398, which called for the establishment of Virac National and Agricultural Trade School (VNATS), was enacted.

Ten years thereafter, Republic Act (RA) 6341, which was authored by Congressman Jose M. Alberto, converted VNATS into Catanduanes State Colleges (CSC) on June 19, 1971. CSC started functioning as an educational institution on December 1, 1971, initially offering courses such as Associate in Business Education, Associate in Commerce, Bachelor of Science in Education, and Master of Arts in Education, and Master of Arts in Commerce. Additional courses were offered on July 8, 1972 by virtue of RA 6590.

In 1996, Catanduanes State Colleges conformed to Republic Act No. 8292, which provides for the uniform composition and powers of the governing boards, the manner of appointment and term of office of the president and chartered state universities and colleges, and for other purposes.

On October 31, 1999 the Catanduanes Agricultural and Industrial College (CAIC) was integrated to the Catanduanes State Colleges. This is Pursuant to Special Provision No. 2 of the CHED FY 1999 Budget under the General Appropriations Act of 1999 (RA 8745 or the Integration of CHED Supervised Institutions Universities and Colleges). Subsequently, by virtue of Board Resolution No. 15, s. 2003 that called for the implementation of the to State approved and the Revised Organizational Structure, CSC-CAIC Annex was renamed as CSC Panganiban Campus.

The past Presidents of the CSC were Mr. Pedro G. Tabuzo - 1971 -1972, Dr. Jacinto A. Medallada - 1972 -1986, Dr. Rodolfo V. Azanza - 1986-1990, Dr. Adolfo S. Bagadiong - 1993-2003, and Dr. Asuncion V. Asetre - 2003-2011. Meanwhile, Dr. Ernestina P. Averilla was designated by DECS Higher Education Division as CSC OIC from 1990-1992.

On July 14, 2011, Dr. Minerva I. Morales was elected as the sixth President of the Catanduanes State Colleges. When CSC was converted into a University, she was designated by CHED as Officer In-Charge from December 12, 2012 -

March 24, 2013 in consonance with the provision of RA 10229. After topping the evaluation in the Search for CSU Presidency, Dr. Minerva I. Morales was subsequently elected through a unanimous vote by the Board of Regents as the First President of the Catanduanes State University on March 25, 2013 until July 31, 2020.

On August 1, 2020, Dr. Freddie T. Bernal, Regional Director of the Commission on Higher Education (CHED) Regional Office No. 05, Legazpi City, was designated by the Board of Regents (BOR) as Officer-in-Charge (OIC)- President of the Catanduanes State University in its special meeting on July 30, 2020 through a Referendum Letter No. 4, s. 2020. Dr. Bernal served as OIC of the University until June 24, 2021.

During the special meeting of the Board of Regents of the Catanduanes State University on June 24, 2021 presided by CHED Commissioner and CatsU BOR Chairperson, Dr. Aldrin A. Darilag, the Board unanimously elected DR. PATRICK ALAIN T. AZANZA as President of the Catanduanes State University starting June 25, 2021. Dr. Azanza is currently the 7th President of the Institution since its foundation as a Public Higher Education Institution as then Catanduanes State Colleges (CSC) through RA 6341 on June 19, 1971 authored by the late Catanduanes Congressman Jose M. Alberto. Dr. Azanza currently serves his first four-year term commencing from his appointment on June 25, 2021 until June 24, 2025 or unless re-appointed for another term thereafter as the University's Charter provides under Section 9.

The conversion of CSC into a University formally started on March 29, 2011 when House Bill No. 4170 was filed during the First Regular Session of the 15th Congress of the Philippines. The bill was principally authored by then Congressman Cesar V. Sarmiento of the Lone District of Catanduanes, and co-authored by then Congressman Juan Edgardo M. Angara. Over a year thereafter, then President Benigno S. Aquino III signed on October 19, 2012 Republic Act No. 10229 converting Catanduanes State Colleges (CSC)-Virac/Main and Panganiban Campuses) into CATANDUANES STATE UNIVERSITY (CatsU). Presently, Dr. Azanza likewise serves as its 2nd University President since the institution's conversion in 2012.

SUC PRESIDENT III

It gives me great pleasure that once again, our beloved Catanduanes State University (CatSU) has achieved exceptional success in the past year 2022 across all pillars of our work in Instruction, Research, Extension, and Governance. This remarkable achievement as shown in this Report is a reflection of our collective efforts and unwavering commitment to do what is right and best for the University. I take off my hats to all men and women of the University, the students and our stakeholders.

Our leap in Instruction is demonstrated by the quality of education we provide to our students. We have continuously strived to provide innovative and inclusive teaching methods, ensuring that our students and graduates are well-rounded individuals who are equipped with the skills and knowledge needed to succeed in the global arena.

Our research efforts have led to significant breakthroughs in various fields, especially our renewed touch on the fields of arts, culture, educational tourism, information technology, and modern agriculture. All these developments considered are contributory to the advancement of knowledge and betterment of our society. Our faculty and students have showcased their expertise through publications in prestigious journals and participation in local, national and international conferences.

Our Extension activities have also been instrumental in addressing societal challenges in the local context, and promoting social responsibility. Through our community engagement programs, we have made a positive impact on the lives of many and have helped build a more equitable and sustainable future.

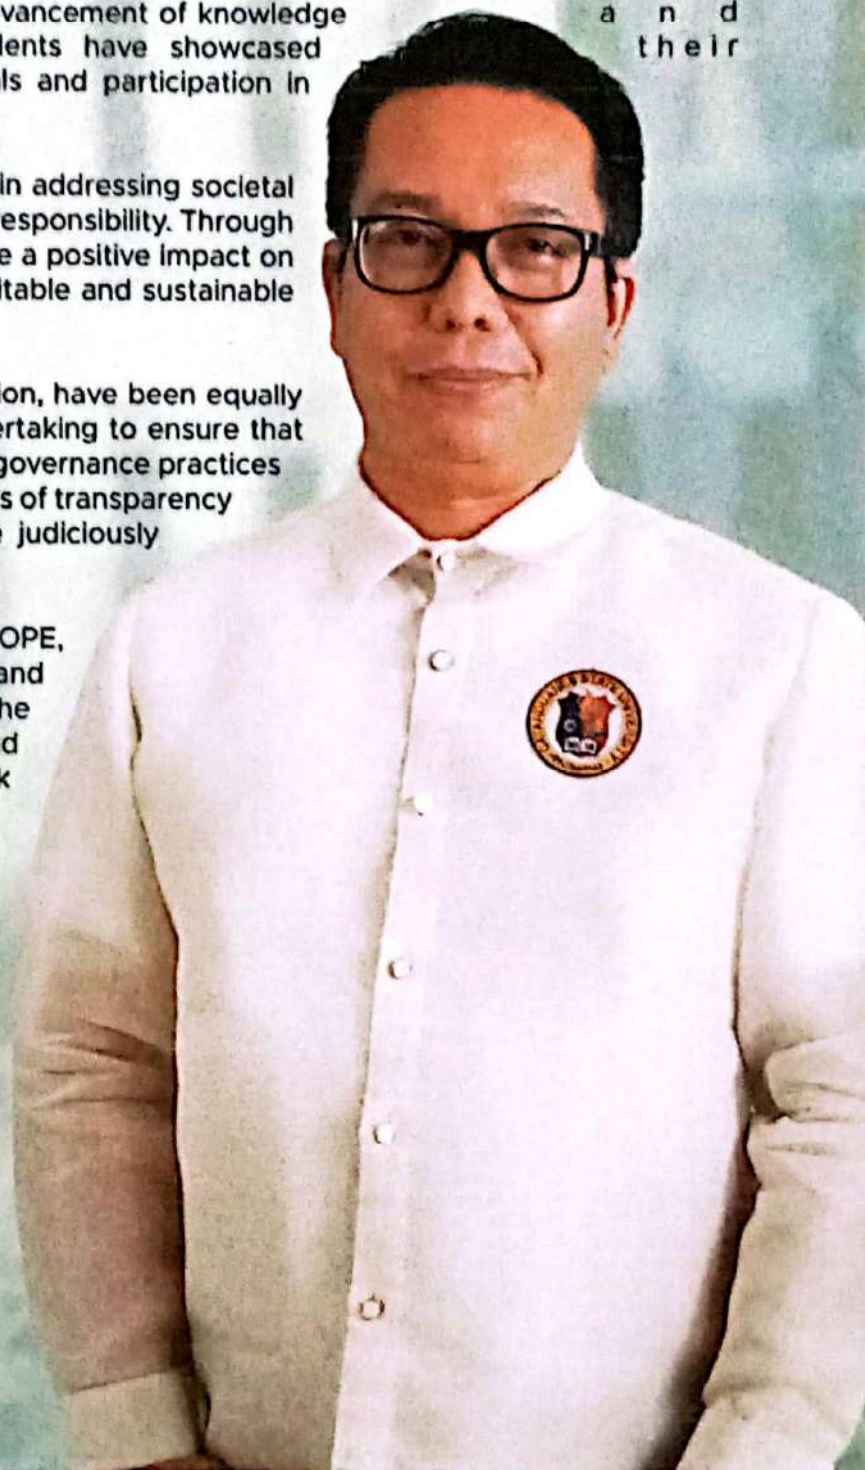

Our good governance practices under this dispensation, have been equally shared by all. I appreciate all your collaborative undertaking to ensure that effectiveness and efficiency were on top of the good governance practices in the University. We have upheld the highest standards of transparency and accountability, ensuring that our resources are judiciously utilized.

All of these are anchored in our shared vision of HOPE, which drives us to continuously aim for excellence and make a positive difference in our province and in the country. As your University President, I am proud of what we have accomplished together, and look forward to continued success in the years to come.

Thank you for your dedication and hard work.

PATRICK ALAIN T. AZANZA, Ph. D., JD
SUC President III

Executive Summary

This annual report highlights the activities and milestones of the Catanduanes State University (CatSU) in CY 2022. The document captures the major strides of the institution along the following core functions: 1) to provide quality teaching and learning, 2) to conduct research, creative works and innovations, and, 3) to deliver community extension and outreach programs.

Conformably, the institutional performance and activities were subsumed in the Key Result Areas (KRAs) which are indicators in realizing the University's Vision-Mission-Goals-Objectives (VMGO) statement, namely: KRA-1 (Quality and Relevance of Instruction), KRA-2 (Research and Creative Works), KRA-3 (Technical Advisory and Community Engagement), and, KRA-4 (Governance and Management). The major accomplishments along these areas provide the benchmark scenario underpinning the mechanisms in support to the Public Higher Education reform, the CHED's Memorandum Orders (CMO's) and other regulatory statutes of Higher Education in the Philippines.

In sum, the Report relates with the integral development of the University, anchored in its new leadership's overarching development vision of HOPE (Honest service, Outstanding and globally competitive standards, People-oriented and planet-friendly programs, Equal opportunity and fair treatment for all), its governance, partners and stakeholders, students, and other clientele in the institution's stewardship of the province's knowledge base. As a premier Higher Education Institution (HEI) in Catanduanes, the University's extent of achievement during the period points to its own niche and "credence that has been tested over the past four decades as a quality educational institution."

KEY RESULT AREA -1: QUALITY AND RELEVANCE OF INSTRUCTION

This indicator covers the following items: Curricular offerings, Enrolment, Graduates, Program Accreditation, Scholarships, Performance in Licensure Examination, Student Services and Programs, Colleges, Library Services, International Linkages and CPD Services, Guidance, Testing and Counseling, Sports Activities, NSTP/NSRC, Medical and Dental Services, and Alumni Services.

Overall, these Colleges and the University Graduate School in the Main Campus offered wider, and relevant programs attuned to CHED standards and global comparability. There were 16 combined programs in the masteral, doctoral and diploma courses offered during the year in review in the Graduate School (GS). There were nine (9) Colleges in the Main Campus, with newly established Colleges – the College of Science (COS), and the College of Humanities and Social Sciences (CHUMSS) all from their predecessor College of Arts and Sciences (CAS). The rest were: College of Agriculture and Fisheries (CAF), College of Business and Accountancy (CBA), College of Education (COED), College of Engineering and Architecture (CEA), College of Health Sciences (CHS), College of Industrial Technology (CIT), and College of Information and Communications Technology (CICT). The University also sustained its Basic Education service delivery through its Laboratory Schools that offers Grades 1-12, in tracks compliant with the K to 12 curriculum such as: ABM (Accountancy, Business and Management),

HUMSS (Humanities and Social Sciences), and STEM (Science, Technology, Engineering and Mathematics). In the Panganiban Campus, there were three (3) baccalaureate degree programs offered specializing in Agriculture, Elementary Education, and Technical-Vocational Teacher Education catering to two (2) major fields in Electronic Technology and Food and Service Management.

For SY 2021-2022, there were 22,758 enrollees across all educational levels covering those in the Basic Education sector to Advanced Higher Education sector. Specifically, enrolment in the Basic Education level was 646, in the Higher Education at 21,238, and in the Advanced Education at 874. Compared with the previous five (5) years since SY 2016-2017, the enrolment rate increased remarkably as shown in the period in review for SY 2021-2022. Within the span of five-year academic years from 2016 until 2022, the University posted cumulative total of enrolment of 95,235 disaggregated to women enrollees of 40,871 and men enrollees of 54,364. It could be gleaned from the data that the University posted within this five-year span its highest enrolment rate in AY 2021-2022 of 21,238. With the onset of dynamic institutional reforms on key pillars of governance in the Institution under its new SUC President-III, Dr. Patrick Alain T. Azanza, the influx of upward enrolment trend gleaned from the past reporting period and onwards is noted and clearly foreseen.

Graduate data in AY 2021-2022 from both the Main Campus (Virac) and the Panganiban Campus

ed a total of 2,305 graduates where 1,270 whom were women, and 1,035 were men. The baccalaureate courses had the highest rate of graduates at 506, followed by those graduated from Business and Accountancy with 341. Lowest number of graduates based from the AY 2021-2022 data was recorded from College of Health Sciences (CHS) at 32. Comparative data in a six-year span from AY 2015-2016 to AY 2021-2022 showed a rising rate of graduates in the Institution. Insofar as data on employability of graduates is concerned, as of December 2022, 476 graduates from Batch 2019-2020 responded, where 426 or 90% were reported employed, while 46 or 10% of them were unemployed.

AY 2021-2022 gained its momentous high in the institution's history scenario of Covid-19 pandemic during which prior years, a none face-to-face policy was the norm including educational establishments; whereas, thereafter during the year in review, the University celebrated its first face-to-face 51st Commencement Exercises in the Main Campus in Virac, Catanduanes held in two batches on June 16 and 17, 2022 with the theme: "Resilient Graduates: Striving and Excelling as Pioneers of a Post-Pandemic Future." The face-to-face event was guided by the University's internal guidelines and that of the Commission on Higher Education (CHED) and DOH Joint Memorandum Circular No. 2021-004 prescribing rules in the New Normal. Commencement speakers were: Atty. Santiago T. Gabionza Jr., BOR member and Hon. Albert P. de la Cruz Sr., Commissioner of the Climate Change Commission.

Accreditation as the leverage of quality program offerings had been sustained during the period in review. Across all Colleges with their respective programs, the Accrediting Agency of Chartered Colleges and Universities in the Philippines (AACCU) accreditation and Certificate of Program Compliance (CPC) from CHED were duly issued and accomplished in a total of 39 accredited programs, and 5 candidate programs, where 15 of which were Level-II Re-accredited, 1 Level-III Re-accredited, 7 Level-1 and 5 Candidate programs. Also, there were 36 programs that were issued CPC's, where 26 of which were in the Undergraduate level and 10 in the Graduate levels. There were likewise 3 in the Undergraduate level that was granted Government Authority to Operate, while there were 8 pending applications of COPC.

For the year-ended in 2022, there were 335 cumulative number of passers from the University in the Elementary (100), Secondary (100), Nursing, Nutritionist- Dietitians, Civil Engineering, and Master Plumber. Of this data, the Master Plumber and BS Civil Engineering and the BS Nursing programs gained above the National passing mark in the 2022 licensure examinations.

For scholarship there were 156 students granted under

the Merit Scholarship program, while 556 in the Non-Merit program with financial aid/ assistance. Overall, there were 3,987 grantees for CY 2022. During the first semester, there was 20.93% scholarship rate of availment against 10,290 overall student population while 19.35% for the second semester against the 9,427 overall student population. In the student development program, there were 2 student attendees in the National level training/ seminar while 3 in the local level. Various student activities were conducted representing co-curricular and curricular types on a monthly basis for the year through online and face-to-face.

In the Library Services, there were 238 titles and journals processed, 48 journals, 184 titles of students' unpublished theses generated for the year, while it maintained its e-resources or free access to Science Direct and Scopus. Total annual circulation was 4, 608 per Dewey Decimal category, and 41, 727 by College. There were also 43, 772 registered total users per section, with 34,940 in the Gale-Online database, 1,180 in the Access Engineering, and 342 in the Online Electronic Resource Logbook. Noteworthy was the installation of Digital Scholar facility or electronic research hub in the University Library on March 9, 2022 with 10 units of tablets for use.

In continuously upholding its academic reputation as to place the University in the world map of reputable Higher Educational Institutions, its International Linkages and CPD Services gained monthly milestones during the year, when it started as the sole-grantee /recipient in the Bicol Region of the (ACT-IHE) or the Access and Competitiveness through Internalization of Higher Education project implemented by the British Council and the CHED. There were at least seven Memorandum of Agreement /Understanding (MOA/U) undertaken with various higher educational institutions for internalization thrusts; established the Open University and its Office, participated in online/ on-site conferences, and jumpstarted the University's participation in the World University Rankings in the late quarter of the year.

On student welfare activities, the offices of the Guidance, Testing and Counseling; Sports Services, NSTP/NSRC, and the Medical/Dental Services were on point with their respective targets and achievements for the year. There were 25, 172 students served during the orientation, 3, 547 in the entrance examination, and 185 provided with counseling services. Career Guidance Awareness caravan was also conducted and various coordination meetings and partnerships for student development programs were undertaken. The CatSU Olympics 2022, a three-day event, was likewise held featuring the four powerhouse units of the University with Unit II composed of the College of Agriculture and Fisheries (CAF), College of Science (COS), and College of Education (COED) emerging as 2022 Champion. The

Planting, Coastal Clean-up and Mangrove Tree
ing, International Coastal Cleanup, Earthquake
Disaster Risk Management, Capacity Building,
Information and Donation Drives, Community Outreach,
Leaders' Training on DRRM, Summer Camp Training on
Advanced ROTC, Brigada Eskwela, among others. In the
Medical/Dental support, the Clinic in the Main Campus
performed along the following frontline services:
Physical fitness/ health examination; consultation,
Treatment, health guidance and counseling, blood
Pressure monitoring, referral, emergency cases, IEC
Materials, wound dressing, and Covid-19 vaccination.
Overall, there were 671 served for both students and
employees in their medical consultation; while 1,151
were given anti Covid-19 vaccination; and 9,224 clients
served other than consultations. The Dental services
provided 811 served during the year in the University
including students, teaching, and non-teaching /officials
concerned. The Office was capped with two awards
received, among which were the Catanduanes Health
Excellence Award for Dr. Felix III C. Ma, M.D.; and the
Centennial Award-Distinguished Alumni Awardee for
Milagros T. Gianan, RN, MAN.

The Alumni Services reported its SY 2019-2020
tracking of employed /un-employed graduates from the
institution covering eight Colleges in the Main Campus
and the Panganiban Campus. In the Main Campus,
there were 427 graduates who were tracked as either
employed or unemployed, while 66 from Panganiban
Campus. Of this data, 87.22% of them are employed,
12.78% unemployed, 96.55% of the total graduates
were tracked, 3.45% untracked, and 90.34% of those
who were tracked responded that they are likewise
employed.

RESULT AREA -2: RESEARCH AND CREATIVE WORKS

This indicator covers the following items:
Completed, presented, published, and cited researches;
Patented/ copyrighted, utilized research, research
activities, ATIC and CICCIS performance highlights.

For completed researches, the University
accomplished 143.75% against its annual target where
10 of which were institutionally funded out of the 23
completed researches. For all 11 Colleges, all researches
either met or exceeded their annual target as well.

There were 39 researches presented in
national conferences where 32 (82%) of which were
presented in the CatSU's In-House Review of Completed
Researches, while 17 (18%) in International conferences
through online mode. There were none presented in
regional and national levels. All Colleges met their

CBA and Panganiban Campus among them which
included International presentation. The Office of the
Research and Development Services and the College of
Education in the absence of their respective targets for
international conferences, however, presented theirs in
the International research conference.

For published researches, there were 14 of them
that gained publication in refereed journals where 2 of
them were published in SCOPUS-indexed journals. A
total of 169 citations either by other journal articles or
books were recorded during the year where 94.08%
(159) were recorded from citations in other journal
articles, and 5.92% (10) in books. Among which, the
study of Tria (2020), "The COVID-19 Pandemic through
the Lens of Education in the Philippines: The New
Normal" gained topmost with 126 citations.

There were 11 Intellectual Property Rights (IPs)
that were applied /approved, where three (3) of which
were patents derived from researches of RDS, CIT and
CE while eight (8) were copyrights from COED, CICT,
and CHUMSS. A total of 22 research outputs were
utilized under the CY 2022 performance record, all of
which were used for instructions at CatSU with only
CHUMSS meeting its target for the year. There were
also two (2) annual in-house review sessions completed
for the year, along with various seminars, trainings,
conferences and allied activities conducted.

The Abaca Technology and Innovation Center
(ATIC) conceptualized the establishment of Abaca
Research and Development Center that will access
external funding, continued technology enhancement
researches and tie-ups with partner agencies, and
collaborated in holding exhibitions and events to boost
Abaca development program of the University.

The Center for Island Climate Change Solutions
(CICCIS) highlighted its major activities for the year with
its exposures on multi-lateral basis with other expert and
mandated agencies, HEIs, private and non-government
entities and individual authorities on climate change,
disaster management, environment, and geo-hazard
management, among others. Meetings for the Project
Eco-Shield with ICO Committee, conferences with DOST
for Grants in Aid Proposals, Advocacy, and Forums were
among those that were undertaken for the year.

KEY RESULT AREA -3: TECHNICAL ADVISORY AND COMMUNITY ENGAGEMENT

This indicator covers the following items:
Extension performance, Linkages/ Partnerships,
Airlinks, and Other Extension Activities.

Activities of Extension Services for the year
revolved on the new imperatives of HOPE in trying

...me in itsre-calibrated approaches and activities, the...
...e underpin the need to become proactive, relevant...
...nclusive. It has for the year crafted the Extension...
...da, and foresees installation of new operations,...
...oring, evaluation and assessment systems and...
...to respond to the current extension imperatives...
...e institution and the partner communities. For the...
...in review, the Office reported 3605 beneficiaries...
...were trained out of 36 training sessions rendered...
...ght (8) Colleges and the Panganiban Campus. It has...
...uously sustained its advocacy campaign through...
...us channels utilizing print, broadcast, social media,...
...in-person approach (dialogue, forums, seminars,...

...ing tours, etc.). It had established 11 community...
...ges for the year encompassing all development...
...s from livelihood, education, power, enterprise,...
...al infrastructure, health, gender and development,...
...nce and technology, agriculture, environment, bio-...
...sity, climate change, sports, skills enhancement,...
...al empowerment and leadership, among others.

Its Airlinks, a broadcast-based information
dissemination activity of the Office likewise regularly
conducted its air presence every week's airtime in a
government-owned radio every Wednesday, with 29
radio broadcasts conducted for the year. There
were also 11 other extension services trainings conducted
serving partner communities provincewide.

RESULT AREA -4: GOVERNANCE AND MANAGEMENT

This indicator covers the following items:
Financial performance, Production services, Status of
Capital outlay, MOA/ MOU undertaken, Gender and
Development, Client satisfaction, Employee profile and
Institutional events.

On the University's Budget Utilization Rate
(BUR) status, its Obligation BUR vis-à-vis Allotment was
92%, while its Disbursement BUR vis-à-vis Obligation
was posted at 92%. The low obligation BUR was due
to unliquidated items amounting to P97,053,000 that is still
pending for obligation until December 31, 2023. For the
year ended in 2022, the University had recorded its
Current Assets at P173,477,353.84 and its Non-Current
Assets at P812,767,543.74. Overall, its aggregate
Assets was posted at P986,244,897.58. It likewise
recorded accumulated surplus or net assets/ equity for
the year at P977,935,089.68. It likewise posted its net
worth of P698,775.92 based from consolidated income
statement for the year 2022 under its Production
Services.

Under its Capital Outlay on physical

Rehabilitation/ Retrofitting of ATIC Building (formerly
FIDA Building), Repair/Rehabilitation /Retrofitting/
Replacement and Expansion of Extension Services
Building, Repair/ Rehabilitation/ Retrofitting of College
of Education Laboratory Schools Building, Completion
of University Sports Complex- Long Course Swimming
Pool, Construction of Multifunction Smart Greenhouse
(Aerophonics, Hydrophonics and Aquaphonics),
Completion of Hostel (Function/ Business Center)
International House, Completion of Ladies Dormitory,
Completion of Main Library (Establishment of E-Library),
Establishment of Coconut Nursery, Completion of
Technology Building A and B, Repair/Rehabilitation/
Retrofitting of Laboratory Building of College of
Agriculture and Fisheries, and Construction of Men's
Dormitory.

It also passed and approved through the Board
of Regents (BOR), 13 Memoranda of Agreement/
Understanding (MOA/ U) with different agencies
and Colleges/ Universities; 3 MOA/MOU specific on
academic matters; and 13 for other specific purposes
confirming MOA /MOU under administrative, academic
and research and extension matters.

It had undertaken series of 12 Gender and
Development (GAD) anchored activities through
symposia, forums, and training alongside with three (3)
special seminar-workshops in the campus. On Client
Satisfaction rate for 2022, the University in the Main
Campus gained 98.42% client satisfaction for Frontline
services, and 98.88% for Non-frontline services. In
general, the University obtained its high satisfaction
rating equivalent to Very Satisfactory (VS) and Better
based from the standard baseline rating of 85%.

As of December 31, 2022, there were 195
Permanent employees and 107 Temporary in the
Teaching department, while there were 239 Permanent
and 12 Temporary in the Non-Teaching department. Of
the data among the total of 434 permanent employees,
52% of which are women, and 48% are men; while of the
total 119 temporary employee, 55% of which are women
and 45% are men. There were also 30 highlighted
institutional events recorded during the year.

The Board of Regents (BOR) of the Catanduanes State
University likewise deliberated and approved 104
Resolutions for CY 2022 which were instrumental in
providing the foundational policy, direction and thrust
for the institution in moving its way forward in the
attainment of its development goals.

Record and Highlights

Catanduanes State University (CatSU) as the province's premier institution of learning, firmly believes in good governance and accountability. In doing so, it is of paramount value in the attainment of its goals ensuring that they are at the optimum level of client satisfaction. As shown in the different Major Final Outputs vis-a-vis work indicators, targets and accomplishments per sector, the University has taken the lead towards enhancing quality service delivery and processes attuned to global standards and existing regulatory norms as well.

Graduate School (GS)

Doctor of Philosophy in Educational Management
Doctor of Education Major in Educational Management
Master of Arts in Educational Management
Master of Arts in Filipino Education
Master of Arts in Mathematics Education
Master of Arts in Guidance and Counseling
Master of Arts in English
Master of Arts in Teaching Biology
Master of Arts in Teaching Chemistry
Master of Arts in Teaching Physics
Master of Arts in Agricultural Education
Master of Public Administration
Master in Business Administration
Master of Arts in Industrial Education
Diploma in Educational Management
Diploma in Public Administration

College of Agriculture and Fisheries (CAF)

Bachelor of Science in Agriculture

Major Fields:

- a. Animal Husbandry
- b. Crop Science

Bachelor of Science in Agri-Business

Bachelor of Science in Fisheries

Certificate in Agricultural Science

College of Sciences (COS)

Bachelor of Science in Biology

Bachelor of Science in Environmental Science

Bachelor of Science in Mathematics

College of Humanities and Social Science (CHUMSS)

Bachelor of Arts in Political Science

Bachelor of Arts in Economics

Bachelor of Public Administration

College of Business and Accountancy (CBA)

Bachelor of Science in Accountancy

Bachelor of Science in Accounting Information System

Bachelor of Science in Business Administration

Major Fields:

- a. Financial Management
- b. Human Resource Development Management
- c. Marketing Management

Bachelor of Science in Entrepreneurship

Bachelor of Science in Office Administration

Bachelor of Science in Internal Auditing

College of Education (COED)

Bachelor of Elementary Education

Bachelor of Secondary Education

Major Fields:

- a. English
- b. Filipino
- c. Mathematics

d. Biological Science

e. Music, Arts and Physical Education

f. Social Studies

- » Bachelor of Technical-Vocational Teacher Education

Major Fields:

a. Electronics Technology

b. Food and Service Management

- » Bachelor of Culture and Arts Education

- » Bachelor of Physical Education

College of Engineering and Architecture (CEA)

- » Bachelor of Science in Civil Engineering

- » Bachelor of Science in Computer Engineering

- » Bachelor of Science in Electronics & Communication Engineering

- » Bachelor of Science in Architecture

College of Health Science (CHS)

- » Bachelor of Science in Nursing

- » Bachelor of Science in Nutrition & Dietetics

College of Industrial Technology (CIT)

- » Laddered Bachelor of Science in Industrial Technology

Major Fields:

a. Automotive Technology

b. Drafting Technology

c. Electrical Technology

d. Electronics Technology

e. Food and Service Management

f. Garments, Fashion and Design

g. Mechanical Technology

College of Information and Communication Technology (CICT)

- » Bachelor of Science in Information System

- » Bachelor of Science in Information Technology

- » Bachelor of Science in Computer Science

Panganiban Campus:

- » Bachelor of Science in Agriculture

- » Bachelor of Technical-Vocational Teacher Education

Major Fields:

a. Electronics Technology

b. Food and Service Management

- » Bachelor of Elementary Education

Laboratory Schools

- » Grade 1-6

- » Grade 7-10

Grade 11-12

Tracks Offered:

ABM (Accountancy, Business and Management)

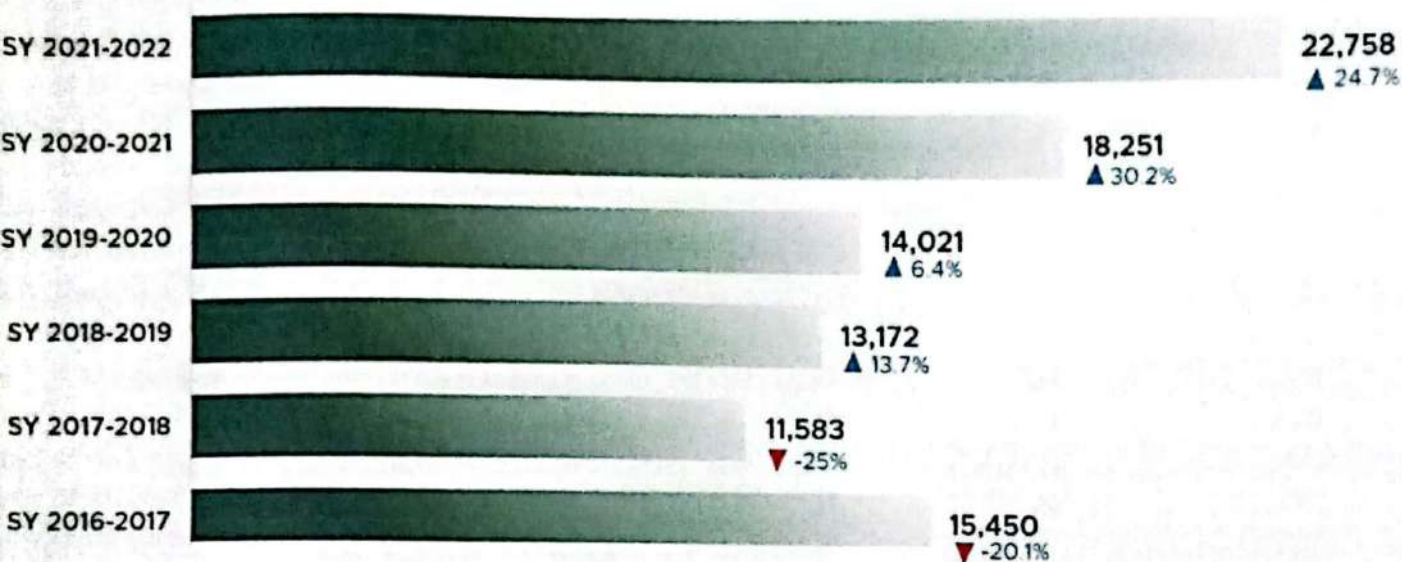

HUMMS (Humanities and Social Science)

STEM (Science, Technology, Engineering and Mathematics)

ENROLMENT

For SY 2021-2022 covering first and second semesters, there were 22,758 enrollees across all educational levels (Basic Education to Advanced Higher Education).

Figure 1. Six-Year Enrolment Growth

40,871 + **54,364** = **95,235**

Table 2. Total Number of Enrolment by level and Academic Year

Academic Year	Advanced Education	Higher Education	Basic Education
2016-2017	818	13,841	791
2017-2018	898	9,804	881
2018-2019	976	11,340	856
2019-2020	879	12,286	856
2020-2021	796	16,742	713
2021-2022	874	21,238	646

Data in Figure 1 and Table 2 showed progressive rate of enrolment of the Catanduanes State University (CatSU) both in the Main Campus and in Panganiban campus over the six-year span from 2016 until AY 2021-2022. For the latter, the University posted its highest cumulative enrolment record during that period with 22,764 enrollees covering Advanced, Higher and Basic Education levels. Overall from AY 2015-2016 to AY 2021-2022, the University posted cumulative total of enrolment of 95,235 disaggregated to women enrollees with 40,871 and men enrollees with 54,364. With the onset of dynamic institutional reforms on key pillars of governance in the University under the current leadership, the influx of upward enrolment trend from this reporting period and onwards is likewise noted and clearly foreseen.

GRADUATES

Employment rate (Undergraduate)

PERCENTAGE OF UNDERGRADUATE LEVEL GRADUATES (2 years prior) that are employed

As of December 2022, 476 graduates from Batch 2019-2020 responded. Four hundred thirty (430) or 90 percent were reported employed while forty-six (46) 10% were unemployed.

For reference, there were 490 tertiary level graduates in 2020 (K-12 transition).

■ Employed ■ Unemployed

Catanduanes State U clinches two-day face-to-face graduation rites

it luck, but this year's batch of graduates must have
n so with their first face-to-face attendance with
r parents during graduation rites after a couple of
rs back depriving prior batches due to the Covid-19
e.

it luck, but this year's batch of graduates must have
n so with their first face-to-face attendance with
r parents during graduation rites after a couple of
rs back depriving prior batches due to the Covid-19
e.

by SUC President-III of the Catanduanes State
iversity (CatSU), Dr. Patrick Alain T. Azanza, who was
alled June 24, 2021, this year's historic event after
heights of the pandemic is the 51st commencement
rcises held in two batches on June 16 and 17, 2022,
0 pm at the University's front-grounds in the Main
pus at Virac, Catanduanes. The theme for the AY
1-2022 graduation rites was, "Resilient Graduates:
ying and Excelling as Shapers of a Post-Pandemic
ire."

holding of the face-to-face ceremonies was guided
he University's internal guidelines, and that of the
mission on Higher Education (CHED) and DOH
t Memorandum Circular No. 2021-004 prescribing
s given the new normal.

Marilyn Tejada, University Registrar said that in
onse to that, the rites only allowed one parent
guardian for every graduating student, while
ination cards were checked upon entry at the
ool premises either for those fully vaccinated or
se unvaccinated attendees who were required to
sent their negative anti-gen test done done two
s before the rites. The University in its Medical
ices has its own anti-gen test kit ready for the
pose.

first batch, June 16, 2022 was composed of
duates from the Colleges of Arts and Sciences,
iness and Accountancy, Education, and Health and
nces; while the second batch, June 17, 2022 were
Colleges of Agriculture and Fisheries, Engineering,
rmation and Communications Technology,
strial Technology and the Graduate School.

Baccalaureate masses were also held in two batches,
with Bishop Manolo A. de los Santos, both presiding said
batches of Eucharistic celebration in the Immaculate
Conception Cathedral in Virac on June 15 and 17, 2022.

With the newly installed University President during the
face-to-face rites, aside from the faculty and the Deans
were key University officials led by Dr. Lily P. Custodio,
Vice-President for Academic Affairs; Dr. Maria Edna
R. Inigo, Vice-President for Admin. and Financial
Affairs; Dr. Ramon FeQlipe Sarmiento, Vice-President
for Research, Extension and Production Affairs; Dr.
Arthur I. Tabirara, AVP-AFA; Dr. Bernardino Abundo,
AVP- Academic Affairs; and Dr. Gemma G. Acedo,
AVP -REPA. Likewise present were Board of Regents
(BOR) Members, Hon. Atty. Santiago T. Gabionza, Jr.,
Hon. Dr. Aida A. Dianela, (Private Sector), Ms Eulalia
Talaran representing Hon. Atty. Ramil Joselito Tamayo
(Alumni), Hon. Dr. Rosanna S. Abundo (Faculty Union),
Hon. Renz Mickenly Tanael (Student), and Hon.
Luzviminda T. Oropesa (Private Sector).

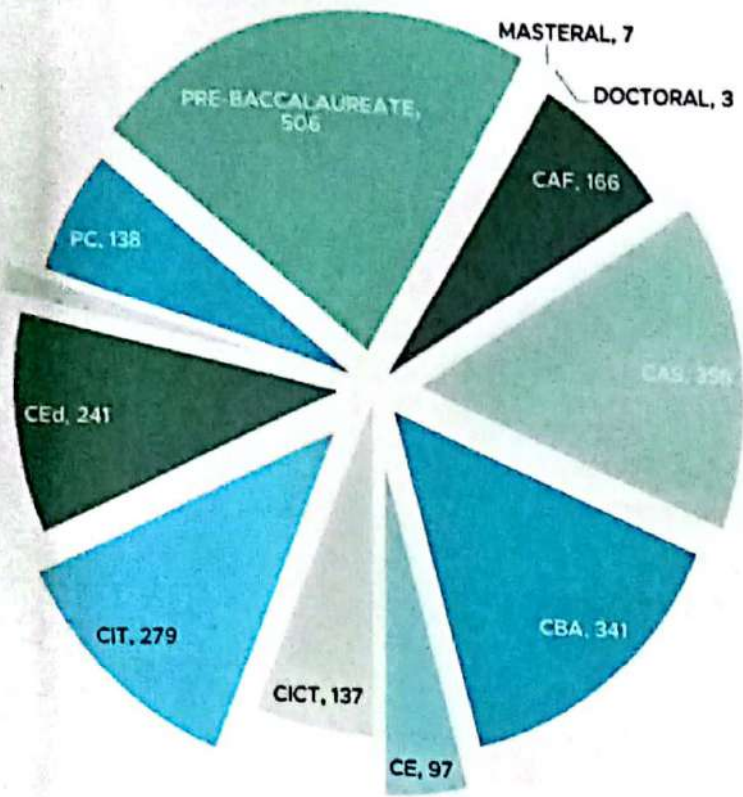

Meanwhile, commencement speakers during the two-
day rites were: Atty. Santiago T. Gabionza, Jr. a Board
of Regents (BOR) Member representing Sen. Joel T.
Villanueva, who spoke on June 16, 2022; and Hon.
Albert P. De La Cruz, Sr., Commissioner of the Climate
Change Commission, who spoke on June 17, 2022.

This AY 2021-2022 graduation rites had a total of 2,305
graduates. During the ceremonies, Pres. Patrick Alain
Azanza emphasized that this year's graduates are
considered champions... and survivors because " it is
but a culmination of all your sacrifices for several years,
and also your triumph against Covid-19 pandemic," he
said.

The President enjoined a moment of silence from
the audience in his speech in memory of those who
were gone during the ravages of the pandemic for the
past years of its height. "Life is not a race...each one
of us is having his (or her) own journey, and it is by
remembering the values entrusted upon you by the
University that we all hope (and your parents) that you
will succeed," Dr. Azanza reminded the graduates.

Data in Figure 3 presented the totality of graduates from the Main and the Pangnaniban Campuses during the AY 2021-2022 with cumulative total of 2,305 where 1,270 of whom were women and 1,035 were men. They were from the seven Colleges in the Main Campus and that from the Pangnaniban Campus, where those who graduated from the Pre-Baccalaureate courses gained the highest posted rate of graduates (506), followed by those graduated from College of Business and Accountancy (CBA) with 341 graduates during the AY in review.

BOARD EXAMINATION

Total number of Passers per Examination CY 2022

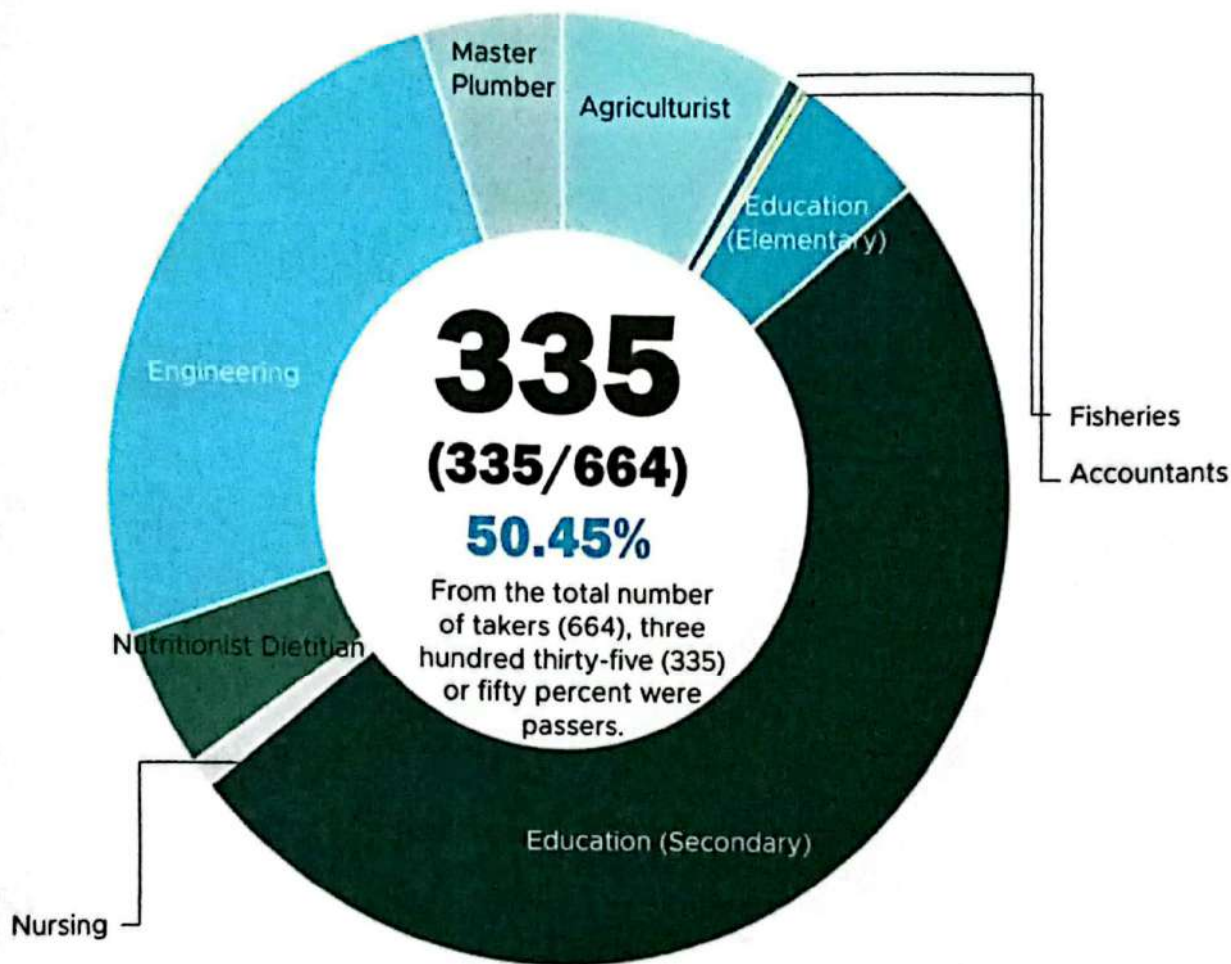

Table 5: Summary of Passers & Takers
Licensure/Board Examination 2022

Examination	Takers	Passers
LEA	96	28
Fisheries Professional	11	2
CPA	17	1
LET (Elementary)	19	16
LET (Secondary)	288	168
Nursing	3	3
Nutritionist Dietitian	28	16
Engineering	181	84
Master Plumber	21	17

Based from the data presented in Figure 4 and Table 3, for the year ended in 2022, there were 335 cumulative total of passers from the University in the National Licensure /Board Examinations garnering an overall passing rate of 50.45% out of the 664 first takers across the following professional examinations in LEA, Fisheries, CPA, LET (Elementary and Secondary), Nursing, Nutritionist -Dietitians, Civil Engineering, and Master Plumber. Of this data, the Master Plumber and BS Civil Engineering and the BS Nursing programs gained above the national passing rate in the 2022 licensure examinations.

The Office of Student Affairs and Development Services (OSADS), formerly known as the Office of Student Support Services (OSSS) is the department that manages the planning, execution, and evaluation of events and activities for student organizations and publications, with the guidance and approval from the Office Director. The office also helps enforce student conduct and discipline in accordance with the student handbook and other rules and regulations.

MESSAGE OF THE DIRECTOR

"Higher education connotes independent responsibility and efficient conduct and discipline."
—Ramon Magsaysay

The Catanduanes State University as the leading institution in the province and one of the best tertiary and academic institution in the Island-province of Catanduanes, offers a higher and responsive way of learning to all aspiring young professionals and leaders of the province and the world as whole.

The Office of Student QAffairs and Development Services as the overall in-charge of the campus life of the students together with their welfare and discipline is guided by the mission, vision, goals and objectives of the university. As such, the office works alongside with the academic programs in the development of a holistic students through the core values and general welfare. The office looks forward to alleviate the success of the students' collegiate journey and even their post-graduate studies by providing and sustaining academic development through education, sports, culture and arts, conduct and discipline and related fields.

As part of the students' growth and development, the office shall ensure the craft of a mature and responsive citizen who caters and attends the needs of others and in-return bases his/her foundation rooted from the core value of family-oriented Filipino.

With a humble heart of service, the office is happy to implement a well-balanced management and services which would provide surreal college experience to all its clientele to ensure that their achievements are remarkable.

PEDRO R. ARCILLA, JR.
Dean, CEA

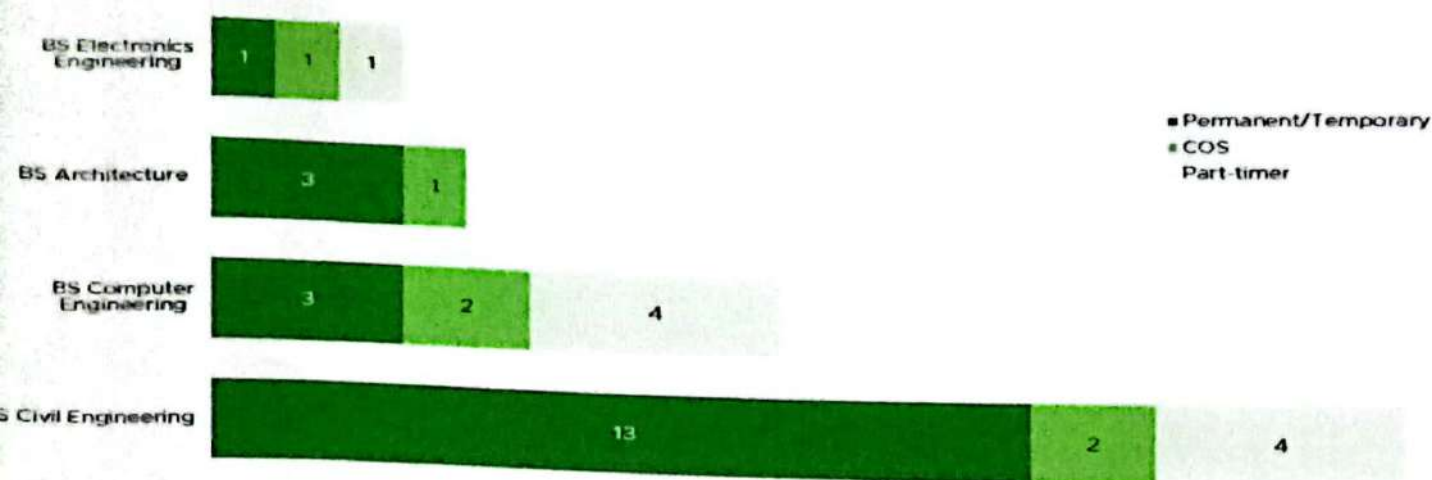

MESSAGE OF THE DEAN

The College of Engineering and Architecture (CEA) is now fully implementing the in-person classes for professional courses in all programs starting first semester of this School Year. The General Education courses are still on a hybrid method of teaching due to limited available classrooms in our College. The engineering academic building has only 50% or six (6) available classrooms because the rest are still to be repaired due to damages caused by typhoon Rolly.

At present, although not allowed by accreditors, the engineering laboratory rooms are being utilized for lecture courses because of insufficient classrooms in our College. The CEA is truly in dire need of additional academic and laboratory buildings in order to accommodate additional students for the newly opened programs and for the programs to be proposed for our College.

Course Offerings

Bachelor of Science in Civil Engineering
Bachelor of Science in Computer Engineering
Bachelor of Science in Electronics Engineering
Bachelor of Science in Architecture

MARIA SHEILA R. GREGORIO
Dean, CoEd

MESSAGE OF THE DEAN

The Academic Year 2022 has been a year of mixed flexible learning and full face-to-face learning. As the College of Education recognizes the value of experiential learning, adjustments have been made; thus, setting aside its fears in the full implementation of a face-to-face learning in all of the Education Programs. First year students excitedly received the news upon learning that a face-to-face learning modality will be implemented for Academic Year 2022-2023. It has tried its best to give the students the quality of education that they needed with the best that it can offer. The College is beyond ready in meeting its students' bright smiles as they embark on different challenges in their college life in making the most of their remaining years in the university. Great expectations were revealed and they are ready to accept more challenges ahead.

The College of Education recently passed the AACUP Survey Level 4 Phase 1 on February 21-25, 2022. Undergoing accreditation would mean that its dream of becoming a Center for Excellence for the BEED and BSED programs may soon come to fruition. Getting there slowly but surely in attaining the highest level of accreditation is already in the making.

We, at the College of Education, are trying our best to conform to high standards of instruction, research, and extension. Undergoing accreditation will allow the BEED and BSED programs to know the strengths and weaknesses and what other aspects it needs to develop. Adhering to the quality standards would mean a great opportunity for our students as they graduate with a Level 4 badge in their records.

Faculty members of the College of Education are fully engaged in research and extension. They present their research at local and international conferences and published their research in refereed and CHED-accredited journals. Their work outputs were also utilized by our students.

Along the area of International Linkages of the College, students and faculty members actively participated in International Virtual Short Courses. Graduates of the College of who have received and participated International Programs have executed quality performance in their respective workplaces. This signals embodiment of borderless learning leading to International standards.

As the Dean of the College of Education, I will continue to uphold and commit my dedication to pursue quality education and producing quality graduates who will eventually serve Catanduanes or even outside the province. With the combined efforts and dedication of all the faculty members of the college, I do believe that we are one with Catanduanes State University's quest for quality and excellence in producing top-notch graduates.

MESSAGE OF THE DEAN

My vision and aspirations remain the same as when I started as the Dean that is for the College of Agriculture and Fisheries to achieve a remarkable performance in instruction, research and extension.

Likewise, offering a much wider scope and possibilities to our teaching and non-teaching staff. I believed that faculty development is the key to achieving those aspirations thus, with the support of the administration, I whole-heartedly supported local and international mobility, namely; trainings, scholarships, and research endeavors.

Improvements to our laboratory facilities necessary to produce globally competitive graduates was also sought. The construction of smart hydroponics which nowadays is a trend dubbed as Agriculture 4.0, a venue where we can give our students firsthand experience in using digital tools in farming that hopefully can address issues of climate change. Likewise, local and international collaborations in extension work was realized through Grameen Foundation USA and the Landbank Countryside Development Foundation, Inc. (lcdfi).

Course Offerings

MESSAGE OF THE DEAN

On behalf of the faculty, staff and students, I would like to welcome you to the Catanduanes State University College of Health Sciences. We are an institution that remains committed to protecting the health of our community while continuing to stay focused on academics, research, community extensionist and public service.

It has been my privilege to lead the CatSU – CHS and serve alongside our distinguished faculty, staff and alumni. At the CatSU – CHS diversity, equity and inclusion are necessary to achieve both academic and institutional excellence. We are deliberate in our efforts to ensure that each student, staff and faculty feel a sense of belonging and know that their contributions are valued and are an essential part of our institutional success.

We recognize the growing demand for highly-qualified nurses and nutritionist in leadership roles, clinical care, teaching, and research and have designed our programs around the idea that nurses and nutritionist can have a great career and a great life while getting a great education. CHS faculty are lifelong learners who are abreast of changes in technology, medicine and teaching and continue to play an essential role in reshaping and delivering quality healthcare through outstanding education, clinical expertise and research to improve health across the communities we serve. Central to the success of our students are faculty who have dedicated themselves to preparing and mentoring future generations of healthcare providers.

I would like to take this opportunity to encourage all of you who are enriching your professional career to explore the Catanduanes State University College of Health Sciences and we look forward to helping you reach your career goals and becoming future healthcare leaders.

MESSAGE OF THE DEAN

The College of Humanities and Social Sciences (CHUMSS) achieved once again its remarkable feat in 2022. As a College, it occupies the heart and soul of the University's repository of knowledge that permeates beyond the exactitude of human intellect. Its dimension challenges the realm of man's creative power, artistry, social cohesiveness, abstract and institutional competence, and individuality. Other than that, it relates with immense degree to the unique capacities of humanity to enliven the soul which is the core of man's existence.

In sustaining this mantra, the College and its pool of faculty and non-faculty staff deserve all the appreciations of what the College has so far achieved exemplarily in 2022.

The menu of activities and their respective milestones, accomplishment and innovations undertaken unique to the College in 2022 and in large contribution to the general well-being of the University in living –up to its Vision-Mission and Goals were indeed worthy of emulation as a fruit of collective commitment and dedication.

It is therefore with great respect and commendation to the men and women of the College for job well done for year 2022. Your fervent efforts are deeply appreciated and it is hoped that this year's achievement continue to inspire everyone to walk as one in charting more milestones to the College in the coming years.

MESSAGE OF THE DEAN

By virtue of Board Resolution No. 55, s. 2022 Which was approved during the 209th Board of Regents Meeting of July 21, 2022. The College of Arts and Sciences was separated into two colleges – the College of Science and the College of Humanities and Social Sciences. The separation was part of the Land use Development and Infrastructure Plan (LUDIP) of the Catanduanes State University.

At present, the College of Science offers three undergraduate programs with specializations in mathematics, biology and environmental science. During the first semester AY 2022-2023 alone, it has a total of 1,177 students under the tutelage of 31 regular faculty members who are holders of master and doctorate degrees along various fields of specializations. Aside from instruction, these faculty members have active participation in the areas of research and extension. As a matter of fact, the college has an ongoing Memorandum of Agreement with the Department of Education to hold extension services focused on numeracy and biodiversity. In university while others are engaged in the externally-funded research projects.

With only few months since its inception, the college has been active in the observation of annual national celebration of activities. For example, in order to emphasize the critical role of statistics in crafting the most appropriate decisions and policies critical to the country's recovery efforts, the college supported the National Statistics Month celebration in its information dissemination drive cum career guidance from October 12 – 14, 2022. The activity aimed to promote, enhance, and instill an appreciation of statistics in its role in the society.

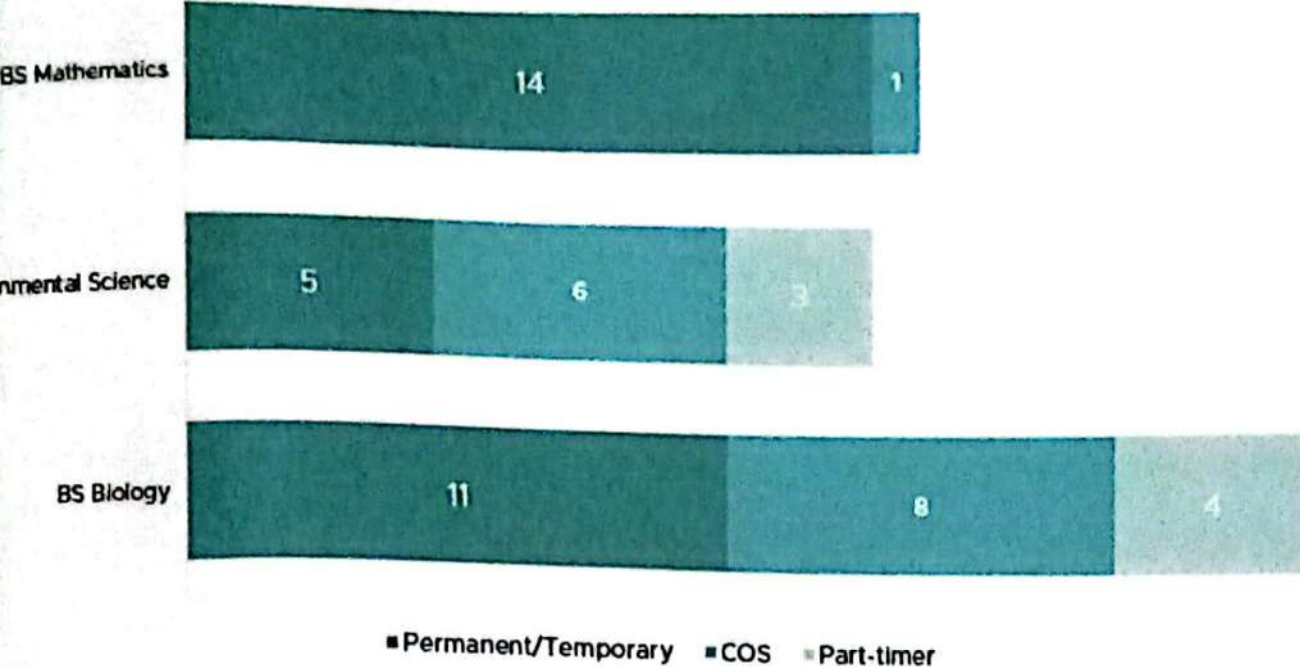

Inspired by the development in the university along the mandated areas, the College of Science will continue to achieve excellence in the field of science and mathematics and render quality service to our stakeholders.

MESSAGE OF THE DEAN

It is with great pleasure that I share with you the exemplary achievements and milestones that our College has accomplished throughout the year 2022. Our faculty and staff have worked tirelessly to provide our students with the highest quality of education, and I am proud to say that their efforts have not gone unnoticed.

I am pleased to note that we have sustained our Accreditation levels of select programs which is a testament to the quality of education that we provide, and it demonstrates our commitment to excellence in all aspects of our academic programs. Aside from that, we continue to fare better in licensure exams, posting above national passing rate while our faculty and students have worked incessantly to boost performance capacities of the College across research, scholarships, extension, instruction, internships and other experiential learning activities and opportunities. Our alumni have also continued to make significant contributions in their respective fields, and we are proud to see them succeed.

Therefore, I am grateful to all the faculty, staff, and students, and the Management of the University, who have made these achievements and milestones possible. All hardwork, dedication, and commitment to excellence have helped to make the College of Business and Accountancy (CBA) journey to another successful year 2022.

DR. EMMIE T. DELLUZA
Dean, CICT

MESSAGE OF THE DEAN

It is with deep pride that I take this opportunity in behalf of the faculty, staff and students of the College of Information and Communications Technology (CICT), this University, to impart our College's successful journey in 2022. As a team, we have exceeded expectations and have continued to grow our reputation as a cradle of Information Technology education in the province's only premier Public Higher Educational Institution, the Catanduanes State University (CatSU).

In today's fast-evolving trends in IT education on a global scale, the College has remained focused in providing the most relevant and up-to-date education to our students. We have continued to adapt and innovate in order to stay ahead of the curve and prepare our students for future success in this dynamic field.

In the 2022 Report of achievement of the College, we presented highlights of our College's united front in staying current with the latest knowledge innovation, scholarship, research, industry trends and technologies so we could ensure that our students and graduates are well-prepared for the workforce and will be able to make meaningful contributions in the IT-field. This is particularly important in light of the ongoing digital transformation of many industries that is occurring worldwide.

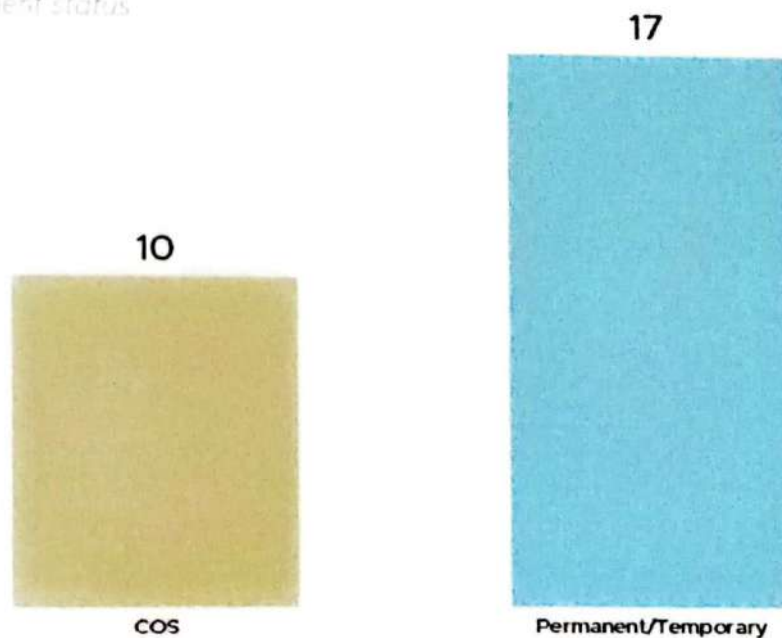

With this collective performance, I want to thank each and everyone in the College and the University Management as well for their ardent support, dedication and commitment towards the fulfillment of the College's mission and goals. I am confident that together, we will continue to thrive and build upon our successes in the years to come.

EDWIN ROMERO
Dean, CIT

MESSAGE OF THE DEAN

It is in the mission of the College of Industrial Technology to ensure each graduate with the quality of excellence in the global workforce. Our commitment is to train our students to conduct developmental research to develop their specialized skills in technology. National Certifications (NC) of TESDA for all ladderized courses were required to monitor their expertise in their chosen field of specialization. This is how the college prepares the quality of graduates in the RLBSIT program. As a result, the college has continuously produced gainfully employed graduates who are productive employees in various industrial establishments in Metro Manila, in the province of Catanduanes, and even in the foreign lands.

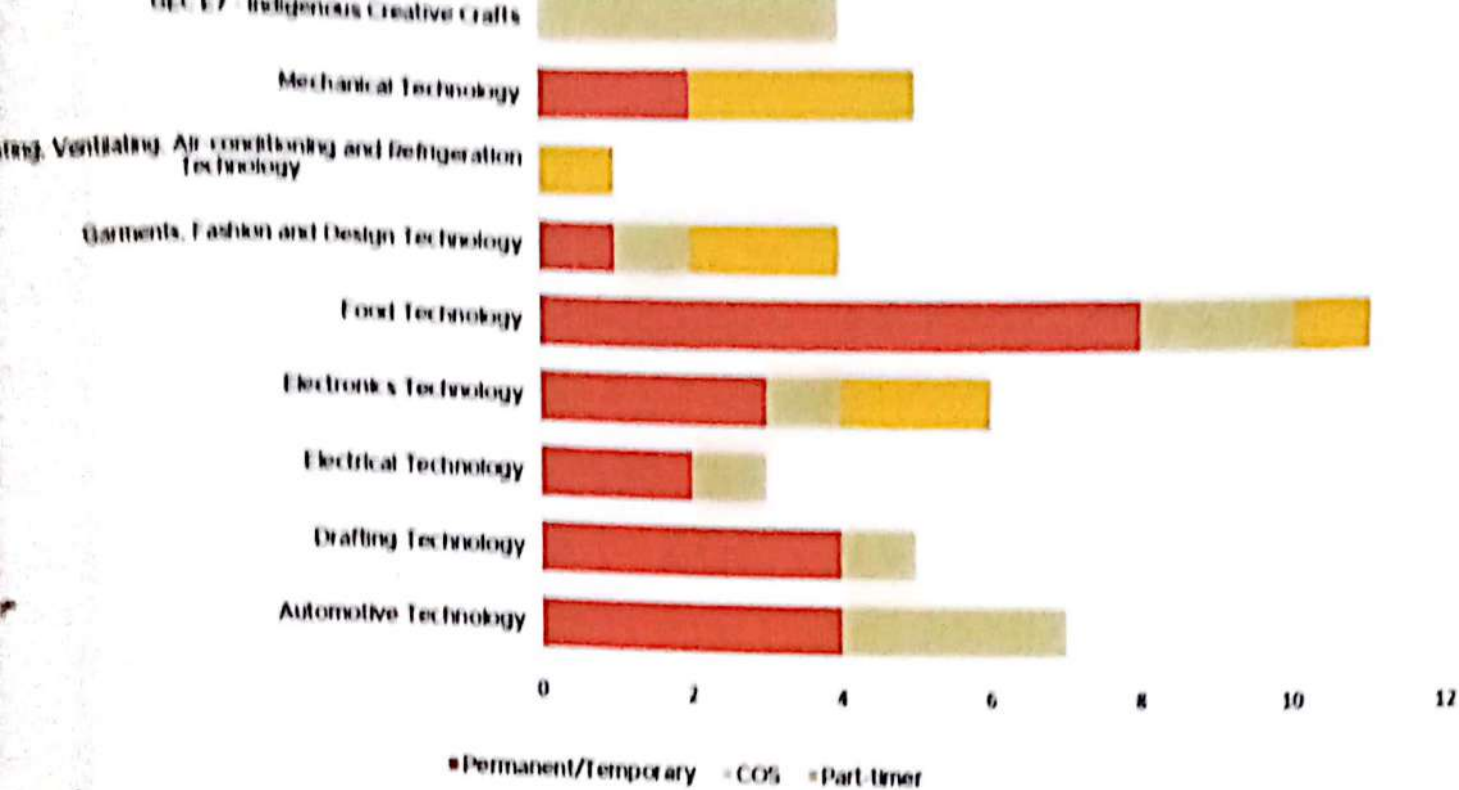

As the Dean of the College, it is my obligation to serve as an instrument to socially upgrade and uplift the lives of our students in terms of knowledge, skills, and attitude toward quality-assured excellence in the global work market. With the help of our dedicated, passionate, and competent faculty members of the College, we must holistically develop our students to become economically independent to provide for their own needs. Economically speaking, this is what our nation needs: A skilled workforce aligned to the required world skills that give income to every graduate, wherein the impact is to augment the rebuilding of our nation's economic growth. As the mantra of the College: "Virtuously Adept hands Mold a Nation," I am responsible for developing our students to become globally competitive graduates.

MESSAGE OF THE PRINCIPAL

Warmest greetings from the Laboratory Schools!

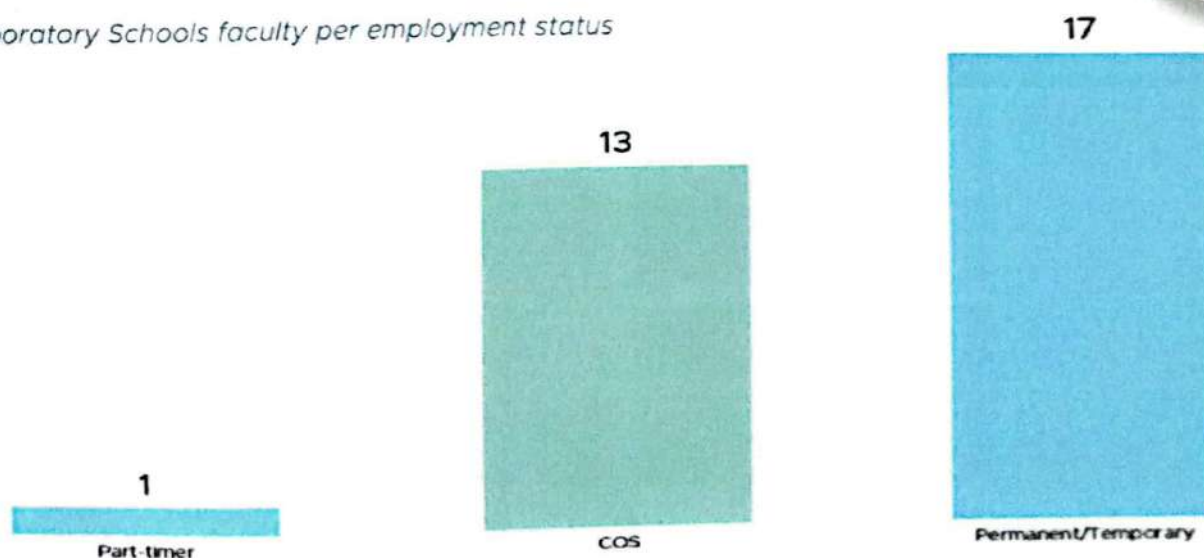

The Laboratory Schools is consistent in its goals of providing quality service to its students and other stakeholders. This is shown in how parents continuously entrust the education of their children to us, even during the trying times. We, the administration and the faculty members never cease to study and train to enhance our productivity and performance as individuals, and as a team. As long as there is love and passion for teaching and learning, CatSU Laboratory Schools' fire of excellence will always be ablaze.

INTERNATIONAL LINKAGES and CPD SERVICES

Aimed towards educational advancement, the fundamental goal of the internationalization of higher education in the Catanduanes State University is to produce globally competitive and highly employable graduates resulting to poverty alleviation and societal advancement.

With a clear goal, structured academic program and seamless execution, the internationalization of Catanduanes State University shall contribute in the continuous upholding of its academic reputation and will place the University as a model of academic excellence beyond regional and national borders.

JANUARY

Catanduanes State University (CatSU) has been selected the sole grantee-recipient of the (ACT-IHE) "Access and Competitiveness through Internationalization of Higher Education" project in the Bicol Region implemented by the British Council and the Commission on Higher Education. The ACT-IHE project aims to strengthen the quality of English as a medium of instruction (EME) English Medium Instruction in Higher Education Institutions (HEIs), thus strengthening the internationalization-at-home strategies of the participating institutions.

The EME Training Program started on October 21, 2021 and ended on January 18, 2022. CatSU participants conducted a cascade training to HEIs in the Bicol Region.

FEBRUARY

Virtual meeting with Dr. Neil Aldrin Mallari for possible collaboration with Center for Conservation Innovations PH, Inc. February 9, 2022.

Virtual meeting with the National Yunlin University of Science and Technology hosted by Philippine American Academy Science & Engineering (PAASE) and Edu-Connect Southeast Asia Association on February 24, 2022

MARCH

JULY

TRU was established with TRU during Dr. Patrick Alain T. Azanza's business meeting in the British Columbia Council for International July 7, 2022. MOU has been finally signed on July 06, 2022 with Dr. Chadwick, the Vice President for International Affairs

Virtual meeting with Thompson Rivers University to discuss about TRU and CatSU. TRU's offered international programs were compared with CatSU's similar programs with Carol Ryujin - Kawa (International Education Coordinator) on July 14, 2023

MOU Signing Ceremony with Central Bicol State University of Agriculture (CBSUA) with Dr. Patrick Alain T. Azanza, Hon. Ramil Delito Tamayo, Hon. Dr. Rosana Abundo, Hon. Angelo Piolo Dela Cruz, Atty. Nikko Rey Aicetel Manlangit-Santelices, and CBSUA President, Dr. Alberto Naperi on July 21, 2022

AUGUST

Dr. Patrick Alain T. Azanza advised Prof. Roberto Barba and Ms. Zyra Mae T. Tumala to prepare for the necessary documents needed for the application of CatSU Open University to CHED. Prof. Roberto Barba, Ms. Zyra Mae Tumala and courtesy to the Office of the Vice President for Academic Affairs with Dr. Lily P. Custodio as the VP to solicit relevant recommendations to make the plans for the CatSU Open University possible.

Academic Partnership in 9th International Conference in Fisheries and Aquaculture (ICFA) 2022 held on August 25-26, 2022 with Chanika Gunathilaka (International Relations Executive) the International Institute of Knowledge Management. CatSU faculty-researchers were the following: From the College of Agriculture and Fisheries: Dr. Jimmy Masagca; Prof. Ramon Socito and Prof. Christian Cabiles, From the College of Science: Prof. Ma. Cecilia T. Arcilla, From the Panganiban Campus: Prof. Nermuel Borrromeo and Dr. Jennifer Berces. Six (6) faculty members of CatSU participated virtually in the International Conference on FISHERIES and AQUACULTURE (ICFA) 2022 at Jakarta, Indonesia. This undertaking was made possible with the initial coordination of former CIRCPDS Director, Prof. Romeleen Go-Vela and assisted by the new Director, Ms. Zyra Mae T. Tumala

SEPTEMBER

Memorandum of Understanding Signing ceremony with CSPC President, Dr. Charlito P. Cadag, CatSU President, Dr. Patrick Alain T. Azanza, CatSU VPAA, Dr. Lily Custodio, VPREPA, Dr. Ramon Felipe Sarmiento and CIRCPDS, Director, Ms. Zyra Mae T. Tumala on September 01, 2022

ual preliminary Meeting of CatSU with CAKAP, an Indonesian-based company which offers two-way learning interactive application for Language Tutoring held on September 19, 2022.

ormal dialogue with CatSU Open University Director Prof. Roberto Barba discussing online platform requirements, Learning Management System (LMS), database and cloud back, and other topics vital in preparation for the pilot testing of the CatSU Open University. Also attending said dialogue are MIS representative, Mr. Lloyd Yusores and CIRCPS Director Ms. Zyra Mae Tumala. Other matters were also discussed such as the System to use and possible solutions to address possible drawbacks.

ompanied Ms. Nicca Aira Marquez to pay courtesy to the Offices of VPAA and VPAFA head. Ms. Marquez, a faculty member of CAF, has been granted the MEXT Scholarship from the Okayama University, Japan with the approval of the University under Plan A (Outside-Agency-Sponsored Scholarship). On October 8, 2022 Ms. Nicca Marquez reached Okayama, Japan to start her scholarship studies.

ual Preliminary Meeting with SEARCA (Southeast Asian Regional Center for Graduate Study and Research in Agriculture) on September 21, 2022.

U signing with Bicol University (BU) attended by Patrick Alain T. Azanza, PhD, JD, SUC President III of CatSU; Arnulfo Mascariñas, SUC President IV of BU; and Amelia A. Dorosan, VPAA of BU.

ption Meeting by the CatSU Core Committee assigned to prepare CatSU in its Participation to the World University Rankings on September 26, 2022. In this meeting, Committee Tasks were given specific duties to work on.

OCTOBER

Memorandum of Understanding (MOU) signing with Bicol Association of Language and Literature Teachers (BALLT) on October 07, 2022 attended by Cynthia B. Correo, President of BALLT and Patrick Alain T. Azanza, PhD., JD. SUC President III CatSU.

Memorandum of Understanding (MOU) signing with Seinajoki University of Applied Sciences (SeAmk) on October 12, 2022.

Proposal for Student/Faculty Exchange Programs/Other possible collaborations with Thompson Rivers University facilitated by Ms. Zyra Mae T. Tumala, Director of CIRCPS and Ms. Carol Ryujin-Kawa, Transnational Education Coordinator, TRU World.

NOVEMBER

October 28, 2022, Application of the students from the College of Education to participate in the 1st Local Culture, Science, and Technology (LOCUST) Sport Program 2022 which would be held virtually by the Faculty of Industrial Technology (UNISSULA) on November 21st - 25th, 2022. Five (5) students from the College of Education applied.

Proposal for Student/Faculty Exchange Programs/Other possible collaborations with Thompson Rivers University facilitated by Ms. Zyra Mae Tumala, Director of CIRCPS and Ms. Carol Ryujin-Kawa, Transnational Education Coordinator, TRU World.

October 28, 2022, Application of the students from the College of Education to participate in the 1st Local Culture, Science, and Technology (LOCUST) Short Program 2022 which would be held virtually by the Faculty of Industrial Technology (UNISSULA) on November 21st - 25th, 2022. Five (5) students from the College of Education applied.

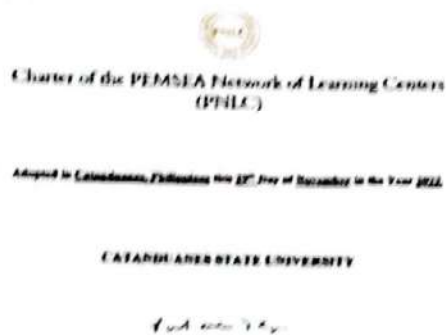

Proposal for Student/Faculty Exchange Programs/Other possible collaborations with Thompson Rivers University initiated by Ms. Zyra Mae T. Tumala, Director of CIRCPDS and Ms. Carol Ryujin-Kawa, Transnational Education Coordinator, TRU World.

CatSU employees display sports prowess in basketball, badminton tourney

ENTERING DEFENSE. Blue team's point guard Engr. Marlon Tubata tries to escape the tight defense of the Black team's defensive specialist in Sicks. The Black team punished the Blue team in this lopsided match.

by Francis John B. Templanuevo

The Catanduanes State University (CatSU) basketball and badminton club sports tournament for employees ended in a close competition as players showcased their athletic abilities on October 11 and 13, 2022, respectively.

The Black team, led by team captain Eric V. Evangelista, emerged as champions with a perfect 4-0 record. The team, captained by Prof. Jonathan Sica, placed 2nd with a 3-1 record, while the Green Team, led by Prof. Rowel Salvador of the Panganiban Campus, placed 3rd with a 2-1 record. The White team, captained by Jun S. Tugano II, placed 4th with a 1-3 record and the Blue team, led by Ike U. Marquez, placed last with a 0-4 record.

"Maogma na nagkaigwa kita nin tournament na arog kaini ta ini para man ini mga empleyado. Di bale ng daog ta ang importante uya nag-enjoy ang lambang saro sa nakakawat ang gabos sa basketball tournament," Ike U. Marquez, team Captain of the Blue team and the President of CatSU Basketball Sports

Club, shared.

In the badminton tournament, the winners for Men's Doubles were Shander Icaawat and Jefferson Urbano (3rd place), Arnel De Guzman and Arvie Alferez (2nd place), and Ronald Sarmiento and Morris Aquino (1st place).

In the Women's Doubles, the winners were Laarni Jimenez & Swetzer Joy Rodriguez (3rd place), Jaeka Frias and Daphne Villanueva (2nd place), and Fiona May Taraya and Josephine Garcia (1st place).

In the Elite Category, Alfredo Bagadiiong Jr. of the PMO Office took the gold medal by defeating former badminton varsity player Jasper Adrian Sidlacan of Corporate Communication Services.

During the awarding

ceremony, Dr. Maria Edna R. Inigo, Vice President for Administrative and Financial Affairs, highlighted the importance of sports activities in developing camaraderie, sportsmanship, and strong working relationships within the institution.

Dr. Rudy P. Tablizo, Director of Sports Development Services and tournament manager, lauded the efforts and participation of the employees and thanked the officiating officials from the Department of Education, Division of Catanduanes for their support. The sports tournament was the kick-off activity for the 10th University Charter Anniversary Celebration.

Unit 2 is CatSU Olympics 2022 champions

by Francis John B. Templeonuevo

The Catanduanes State University (CatSU) held its much-awaited Olympics 2022, a 3-day event featuring intense competition among the four powerhouse units of the university.

After the grueling battles, Unit 2 emerged victorious, claiming the title of champion with 96 gold medals, 62 silver medals, and 65 bronze medals.

The team, composed of the College of Agriculture and Fisheries, College of Science, and College of Education, dominated in sports such as Arnis, Athletics, Badminton, Dancesport, Lawn Tennis, Softball, Swimming, Taekwondo, and Volleyball.

Unit IV, composed of the College of Health Sciences, College of Humanities and Social Sciences, and College of Industrial Technology, earned the first runner-up with 64 gold, 52 silver, and 94 bronze medals. The red team excelled in sports such as Athletics, Baseball, Basketball, Futsal, Table Tennis, Taekwondo, Volleyball, and Ms. CatSU Olympics.

The Federated Faculty Union (FFU) and the Catanduanes State University Employees Association (CASUNEA) as part of the 10th University Charter Month Celebration. According to Prof. Danilo Murillo, the president of CASUNEA, the event was a success, with many employees, students, and alumni participating in the 5kumba warm-up before the run and walk. Participants were required to pre-register for the event, paying P300.00 which covered a fun-run t-shirt, a bottle of water, and snacks after the fun run. The remaining funds collected from Unit III made up of the College of Business and Accountancy, College of Information and Communications Technology, and College of Engineering and Architecture, placed as second runnerup with their victories in Chess, Football, Basketball, and Sepak Takraw.

Unit I, or the Green team of CatSU- Panganiban Campus, earned the third runner-up position with 13 gold, 31 silver, and 18 bronze medals. The team from the North campus dominated in Boxing. The CatSU Olympics 2022 was a successful event, with the participation of 4,260 students from the collegiate and high school levels.

The awarding ceremony was held at the CatSU Oval, where the university officials congratulated the athletes for their hard work and dedication. They also emphasized the importance of sports in fostering fitness and wellness and promoting camaraderie and sportsmanship among the students.

OLYMPICS 2022 FINAL AND OFFICIAL RESULT

RESEARCH AND CREATIVE WORKS

Responsive to our society's emerging needs, the research and development
trust of the University continues to evolve in that direction, taking to
and the conscious effort to instill a research culture among its faculty,
students, and non-teaching staff. Research as a driver of academic
excellence has scaled to newer paths as it takes a more dynamic focus.

COMPLETED RESEARCHES

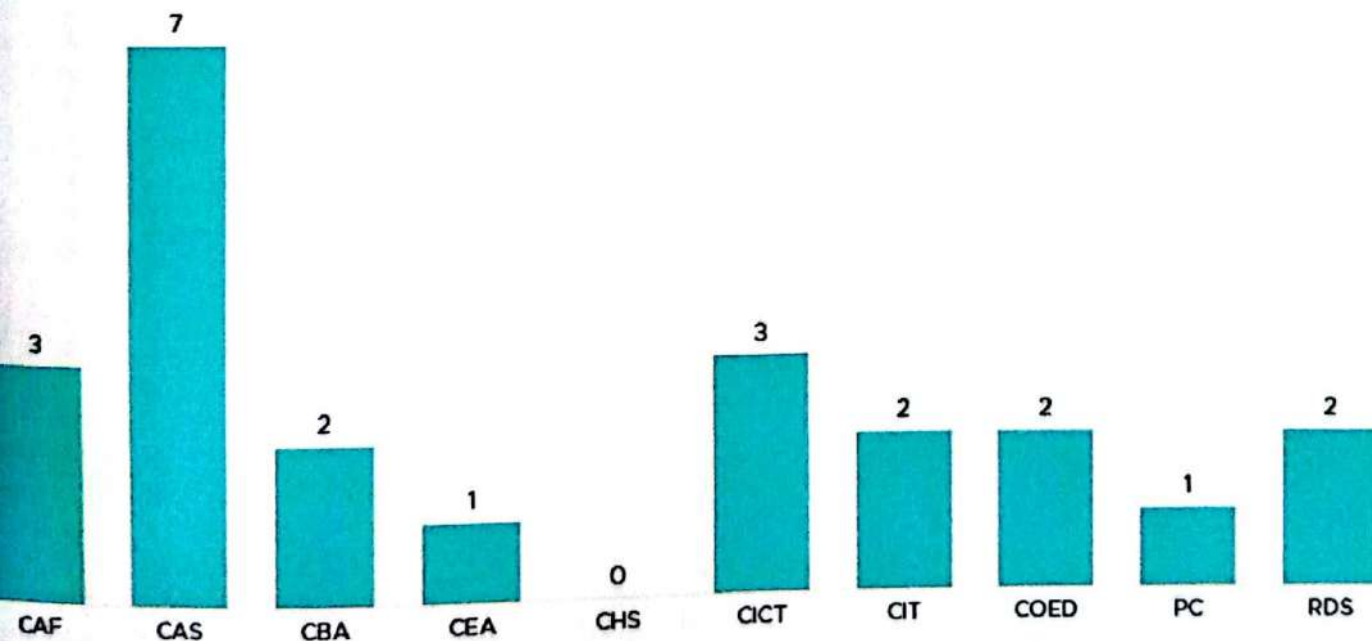

2. Breakdown of 2022 completed researches based on funding

As of December 31, 2022, the CatSU has accomplished 143.75% of the target completed research. This is equivalent to 23 out of 16 target completed researches of which seventeen (17) were institutionally funded while the rest were funded by the researchers themselves (personally-funded). These personally funded researches were submitted to the R&DS, and were evaluated prior to final acceptance for recognition.

er, out of the 11 colleges/units, the following were able to meet their target: CAF (3 out of 2, 150%), CAS (5 out of 5, 140%), CBA, CICT, CIT, COED and R&DS (each with 2 out of 2, 100%). All researches completed in are listed in Table 1.

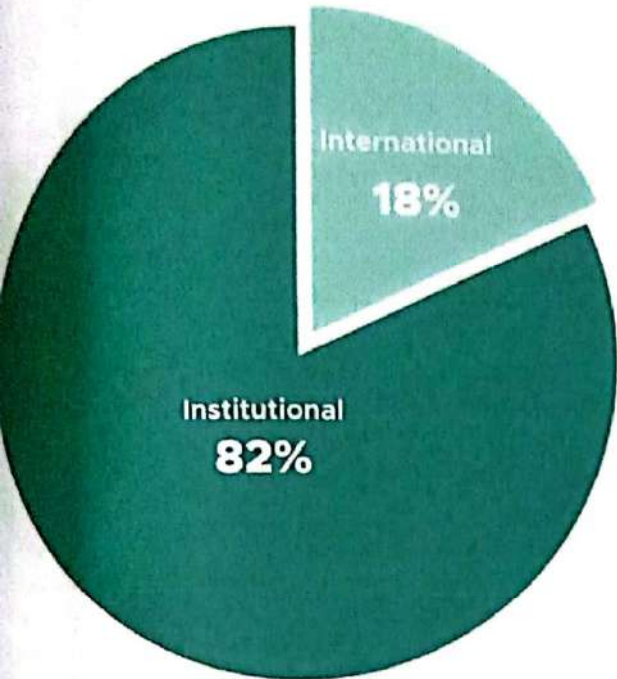

3. Number of completed researches of all the colleges/units as of December 2022

Title of Research	Name of Researcher(s)	Source of Fund
COLLEGE OF AGRICULTURE AND FISHERIES (CAF)		
Metrics and Condition Factor of Tumid Venus Clam (<i>Gafrarium rodingi</i> 1798) in Lagonoy Gulf, Albay, Philippines	Christian D. Cabiles	Personal
Effectiveness of Flexible Learning in the New Normal: The Catanduanes State University College of Agriculture and Fisheries Experience	Ruben P. Tablizo	Institutional
Preparation and Licensure Examination for Agriculturist (LEA) Experience	Ruben P. Tablizo	Institutional

Development and Application of Libas (<i>Spondias</i> sp.) Leaves as Powdered Natural Antimicrobial Agent	Robelle M. Tapado	Institutional

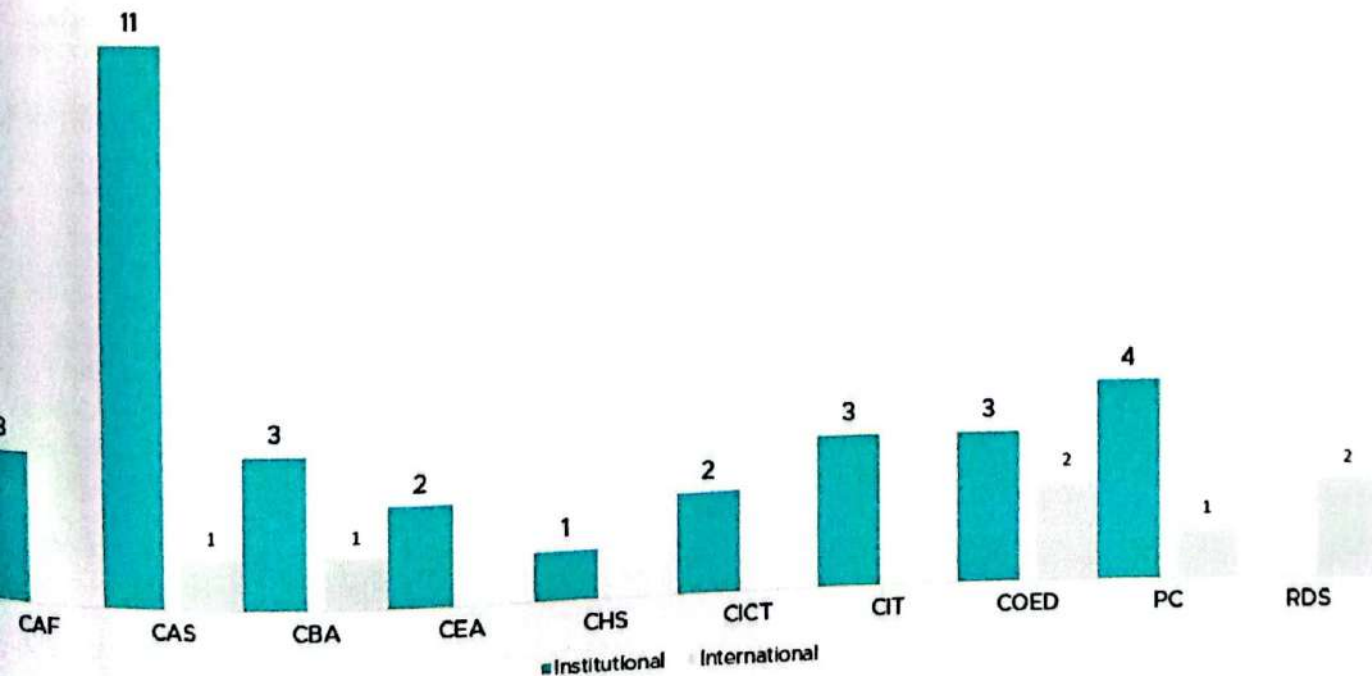

4. Breakdown of 2022 researches presented on conferences.

Last year, thirty-nine (39) researches were presented in research conferences. Out of these, thirty-two (32) or 82% were presented in the CatSU's In-house Review of Completed Researches last March 17-18, 2022 and September 23, 2022, and during the CatSU Research Conference held on October 17-18, 2022. Meanwhile, the seventeen (17) or 18% of the researches were presented in international conferences held online. There were no researches presented in the regional or national conferences.

On the breakdown (Fig. 4), all colleges (i.e. CAF, CAS, CBA, COED, and CIT) with target number of researches to be presented on the institutional/regional conferences had accomplished their target. Only CBA did not meet their target number of research presented internationally (100%) while CAS had only satisfied 50% of its target (1 out of 2). Moreover, R&DS and COED were able to present in international conferences even without meeting their target. All research presented are listed in Tables 2, 3, and 4.

5. Number of published researches by each college/unit.

Target 3
PUBLISHED RESEARCHES

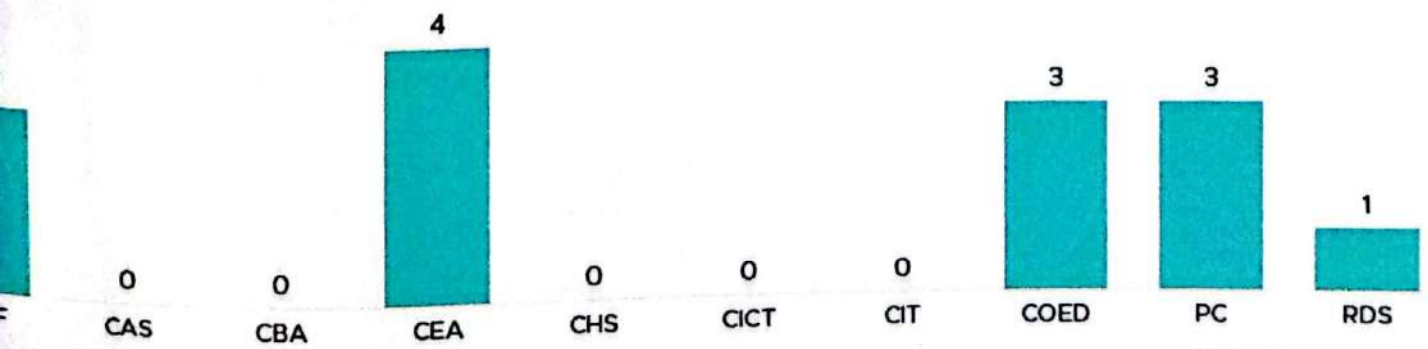

Figure 1: Breakdown of 2022 completed researches based on funding

By the end of 2022, a total of fourteen (14) researches were published in refereed journals, of which two (2) are published in SCOPUS-indexed journals.

Aside from presentation, completed researches are also expected to be disseminated through publication. All 11 colleges/units were assigned to publish at least on research. Of these, only five (5) namely CAF, CE, COED, PC and R&DS were able to meet the target.

Figure 2: Number of published researches by each college/unit.

Target 4
CITATION IN JOURNALS AND BOOKS

Fig. 28. Breakdown of 2022 Researches Cited.

Of a total of 169 citations either by other journal articles or books were recorded throughout 2022. Of these, 94.08% (159) were recorded in other journal articles while 5.92% (10) were cited in books. Thus, these set targets were met (Fig. 7). The study, "The COVID-19 Pandemic through the Lens of Education in the Philippines: The New Normal" by Tria (2020) was highly cited with a total of 126 citations. Cited authors and studies are listed in Tables 6 and 7.

QUALITY OBJECTIVES

A total of sixty (60) research proposals were presented by faculty members and evaluated by the Technical Evaluation Committee (TEC) on different schedules last year. The TEC evaluates research proposal as to the soundness of its objectives, design, methodology, research instruments, work and financial plan; recommends a) the Faculty Teaching Equivalent (FTE) to be granted to a study/project/program and b) the appropriate personnel required to implement a study/project/program; submits to the R&DS a report on the comments and suggestions made on a research proposal; and recommends endorsement of proposal to the UREC.

ANNUAL IN-HOUSE REVIEW OF COMPLETED RESEARCHES & SEARCH FOR USWAG AWARD

Two (2) in-house review and Search for Uswag Award were conducted during the first and second half of the year, respectively.

The annual review and evaluation of completed research and development endeavors in the fields of Science and technology (S&T) and Social Science, Humanities, and Education (non-S&T) aims to ensure that the research undertakings of the University are efficiently and effectively carried-out while addressing the Vision of the University. This yearly activity initiated by the CatSU Research and Development Services highlights the "Search for Uswag Award" to recognize the outstanding researches in the evaluation; thus inspire faculty members to produce more quality researches for societal advancement.

SEMINARS, TRAININGS, AND CONFERENCES CONDUCTED

RDS ACTIVITIES

First Quarter activities include filtering and distilling 66 liters of fermented abaca stripping refuse parts (SRP) wine, producing 20 sheets of abaca SRP papers for food containers, and conducting trials on abaca paper plates and food containers. ATIC also planned and organized AbaCatSU: "Abaca Art in the Academy" in collaboration with other offices and prepared documents for intellectual property rights assistance.

Second Quarter. In April, ATIC collaborated with other offices to hold an exhibition of traditional and non-traditional abaca products, and the Director attended training on Abaca Virus Detection. In May and June, the Director and faculty-in-charge conducted travels to collect data and conduct surveys in selected barangays regarding abaca varieties and needs assessment of abaca farmers. ATIC also continued the development of abaca SRP products and revised research proposals for funding agencies.

Third Quarter. ATIC revised research proposals for potential funding, collected abaca SRP, and developed abaca SRP products, among others. The director also attended meetings and conferences to discuss future plans in abaca and collaborated with various organizations to establish an Abaca R&D center in CatSU with external funding and supervision.

Fourth Quarter. ATIC Director attended several meetings and contributed to online technology dissemination and training for the months of October and November 2022. The center also conducted continuous collection and processing of abaca stripping refuse parts (SRP) for the development of new products. In December, the center organized and conducted an Abaca Stakeholders' Consultative Forum which served as a preliminary forum in preparation for the province-wide Abaca Summit in May 2023, where strengths, weaknesses, opportunities, and strengths were discussed on different aspects of the province's abaca industry.

TER FOR ISLAND CLIMATE CHANGE SOLUTIONS (CICCS)

First Quarter activities include coordinating a meeting for the Project Eco-Shield with the ICO Committee, attending a conference for DOST Grants-in-Aid Call for Proposals, participating in a learning series on Climate and Disaster Resilience, creating and printing IEC materials about earthquakes and typhoons, organizing and facilitating an Earthquake Drill Simulation, conducting regular inspection of a weather station facility, and preparing advocacy materials for an exhibit.

Second Quarter activities include conducting a two-day seminar-workshop on "Mainstreaming Climate Change Education in GEC Curriculum," explaining the trusts of CICCS to visitors from DEBESMSCAT and PDRRMO, preparing and submitting a Training Module for the Center for Island Climate Change Solutions, attending a webinar entitled "Ocean and Climate Dialogue," and appearing as a guest on the CatSU Airlinks for information and dissemination of climate change. Additionally, CICCS conducted an advocacy campaign during various events such as the AbaCatSU Abaca Art in the Academe, the 6th Abaca Festival AbaCatanduanes, and the coastal community auxiliary division orientation program. They also distributed IEC materials in different locations, including Brgy. Marilima, Magnesia Del Norte and Magnesia Del Sur, LGU-MENRO Office in Virac, and during the mentioned events. Furthermore, they attended the Stakeholders Consultation Workshop-Updating Preparation of the Catanduanes Natural Park Management Plan and had initial discussions with representatives from Project Akyat Tulong, Inc. for possible collaboration for the conduct of Emergency and Disaster Preparedness Training. Lastly, they created and printed IEC materials about climate change.

Third Quarter activities include activities related to disaster risk management and climate change awareness. CICCS coordinated with extension services and LGU personnel for information dissemination and project collaboration, printed updated IEC materials, and participated in webinars and seminars related to resilience and disaster preparedness. They also conducted a geohazard lecture and served as a facilitator and resource speaker during earthquake drills and seminars. In addition, they attended conferences and disaster preparedness caravans to enhance their knowledge and skills in disaster risk management. Overall, the CICCS has been actively involved in raising awareness and promoting disaster resilience in their community.

Fourth Quarter activities include conducting training on disaster communication, attending symposiums and consultations, participating in tree planting and beach clean-up activities, distributing IEC materials, and serving as a resource speaker on various topics related to disaster risk reduction, climate change, and geo-hazards. The CICCS Director, also appeared as a guest on CatSU Airlinks to promote the 15th Annual Global Warming and Climate Change Consciousness Week. In addition, the individual conducted an advocacy campaign on tree planting during an Abaca Stakeholders' Consultative Forum and had a radio information campaign about the programs and plans of the center.

TECHNICAL ADVISORY & COMMUNITY ENGAGEMENT

CU has been at the forefront extending its services to rural communities particularly to the needy and underprivileged sectors of society. Through various modes of technical assistance, livelihood training, values orientation, enhancement and others, the university responds to these needs in ways relevant to its mission of contributing to societal development.

Extension Activities*

Catanduanes State University-Extension Services (CatsU-ES) is in its transition period for having a new administration from the central management to its unit. Despite the short period of continuing its mission, it remained proactive in delivering the mandate to serve the underprivileged. Here are the accomplishments of the unit since 2022.

There are total of 3605 trainees who benefitted from the 36 trainings rendered by eight colleges and one satellite campus, Panganiban Campus. Although the challenge of pandemic is imminent, the unit managed to hold a training for coconut farmers through its international network, Grameen, outreach programs, financial literacy training, livelihood training for Persons Deprived of Liberty (PDL), biodiversity conservation seminar, sports cliniquing for youth, women empowerment activities, health-related trainings, industrial technology trainings, safety construction practices, utilization of soil kit, among others. It also highlighted volunteerism among civic organizations through the watershed project, a tree-planting around the watershed's watersheds.

The unit has also conducted a training to capacitate extensionists from national to international resource speakers.

For the first time, the unit has also crafted the Extension Agenda, which is the blueprint of the university extension activity. Prior to this, consultation with other agencies was made as partners in formulating the agenda. It was a bottom-up approach in order to make it inclusive as much as possible to all the sectors of the community.

To strengthen its institutional imaging and public relations, the unit has its own social media as well as each college. It has also its weekly radio program and plan to capacitate its staff in public relations by providing training this year.

At present, it has 11 community linkages and continue the effort to increase community engagements. One of the colleges, for instance, developed a technology that will give cheap power supply is on-going for establishing linkage through the local government unit.

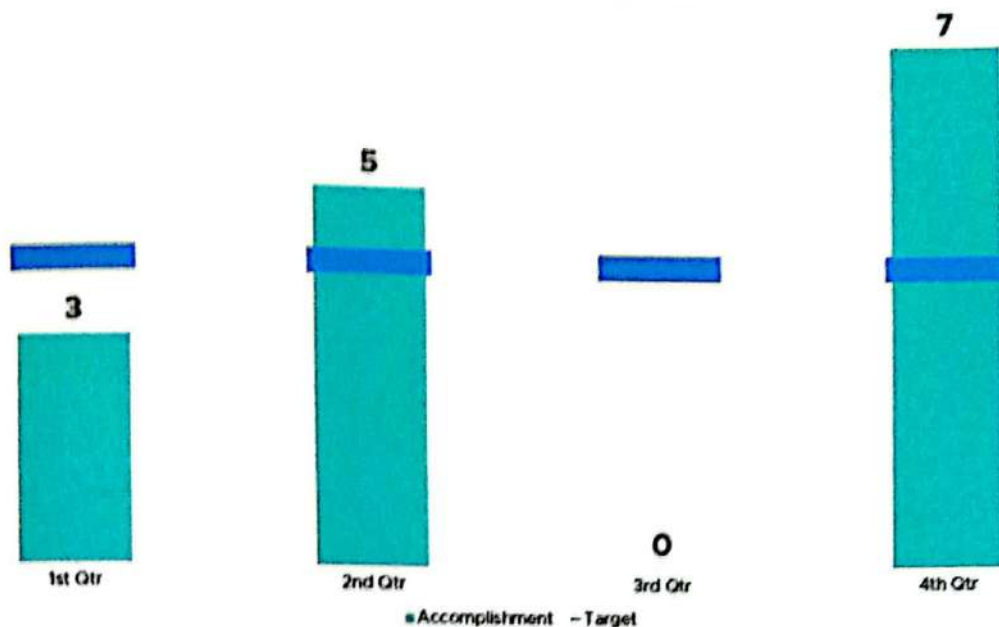

The unit is not only investing in intellect, technology, and technical skills of the university to share in the communities. With its new office, it is more inspired to put system to its operation, thus the plan to design relevant extension manual, needs and impact assessment, and monitoring and evaluation tool. This is in line with the templates by the guided programs and project proposals of each college.

The central theme of the unit where the motivation emanates is the people, to serve the people. It is anchored to the vision of the president of the university. We not only extend our hands but also our hearts.

ADEM NALU V. RUBIO, Ph.D.
Director, Extension Services

PHOTO GALLERY

The performance of the Extension Services Office of the University for the year 2022 was markedly gained from relentless reinvigorating practices and immersive activities that responded to academe-community and stakeholders tripartite cooperation and in fostering relevant, research-based extension culture. Various engagements facilitated by the Extension Services Office with partner entities strengthened the "institutional presence" of the academe in responding to various community socio-economic needs.

Extension services have the means to go a long way to as far as the remotest areas where advocacy, information and education campaign is its support service delivery through the airwaves or broadcast media. Its partner institution, the Radyo Pilipinas (Virac) remains a steadfast medium of the Office on a regular basis every week. The radio program is being hosted by the Extension Services Office, with guests on pre-assigned development topics every Wednesday of the week.

Lecture on Community Extension and the University: Frameworks, Approaches and Strategies

Afternoon session of the plenary lecture. Prof. Froilan A. Alipao, Asst. Director, UST Simbahayan and a Community Development Office as Speaker for the 2-day event.

The CatSU-Extension Services Unit facilitated the a 3-day Training on Participatory Rural Appraisal and Planning (PRAP). Ms. Nancy Wells, a US Volunteer from GRAMEEN Foundation, USA as Resource Speaker.

Immersive development process through a wider expanse of community engagement creates more out-of-the-box activities that were need-based, and aimed to bring the University closer to the people. These considered, they bring a newer perspective of academe-rural development framework of building knowledge and practice.

GOVERNANCE AND MANAGEMENT

In order to keep the operational wheel going into its desired direction of
excellence and sustainability, a robust support services delivery in the
administrative, finance, and human resource services of the institution
be in place and continuously effective, efficient and responsive.

GENDER AND DEVELOPMENT SERVICES

Empowering Stories Inspire the Women Heads, Chiefs of TSU

Catanduanes State University on March 31, 2022 concluded the Women's Month with a 'Symposium on Women Empowerment' for them at ARDOL Function Hall in Virac, Catanduanes in recognition of the extraordinary role 'Juana' heads and chiefs of unit and offices play as elevating the University to its current stature. The symposium served as an avenue for the 22 participants to relax, listen, and be inspired by the success stories of the three leading female movers of their time.

Seminar-Workshop on Women at the Forefront of Sustainable Covid-19 Recovery

The Seminar-Workshop on Women at the Forefront of Sustainable Covid-19 recovery was held on May 31 to June 2, 2022. The seminar aims to promote interests of women through the awareness of the Safe Spaces Act (RA 11313) and the Anti-Violence Against Women and their Children Law (RA 9262), and related laws; conform to the PCW policies in implementing comprehensive, effective, and cost-saving gender-mainstreaming projects during the recovery from Covid-19 pandemic, model the implementation of the Harmonized Gender Development Guidelines (HGDDG) and the Preparation of the GAD Plan and Budget and GAD Accomplishment Report and be informed of other matters that affect the women and children in Catanduanes.

Trainer's Training on Gender Analysis, Mainstreaming, and Harmonization of Programs, activities and Projects

The Trainer's Training titled "Trainer's Training on Gender Analysis, mainstreaming, and Harmonization of Programs, Activities, and Projects" held last July 25-27, 2022. The training aims to produce GAD trainers equipped with the knowledge and sensitivities to gender issues as well as the knowledge of their complexities and technicalities. These trainers must be willing to serve the offices and communities outside the agency. Also, to capacitate its Gender and Development Coordinators and extension coordinators to advocate women and gender equality in Catanduanes.

LIST OF ACTIVITIES

1. The OIC, GAD Focal Person, Prof. Melinda V. Abichuela is one of the speaker during the orientation on the OJT Seminar of CIT Students last January 13, 2022.
2. Conducted the Symposium on Women Employment last March 31, 2022 in annual celebration of National Women's Month.
3. Conducted Women at the Forefront of Sustainable Covid-19 recovery was held on May 31 to June 2, 2022.
4. Conducted the Training-Workshop titled "Trainer's Training on Gender Analysis, mainstreaming, and Harmonization of Programs, Activities, and Projects" held last July 25-27, 2022. The training aims to produce GAD trainers equipped with the heart and sensitivities to gender issues as well as the knowledge of their complexities and technicalities. These trainers must be willing to serve the offices and communities outside the agency.
5. Conducted GAD orientation seminar for first year, transferees and returning students last August 15-18, 2022.
6. Initiated the election for Women's Club Officers last August 23, 2022.
7. Initiated to organized all the admitted members of the Lesbian, Gay, Bisexual, Transgender, Queer, Intersex., Asexual (LGBTQIA+) last September 2, 2022 and recognized as one of the catsu student organization namely CatsU Karibangbang (CKBB).
8. The GMS Focal Person attended the 1st International Conference on NSTP and Risk Managers 2022 dated September 21-23, 2022 at Tarlac State University.
9. Conducted GAD Focal Point System Meeting on October 5, 2022 to prepare GAD Plan and Budget for 2023. The members of the GFPS met to set everyone's eyes towards a more exciting target for the University. With an untiring and supportive President and committed members, CatsU can easily achieve its vision of becoming "a gender-sensitive and responsive university in a safe and peaceful environment free from any form of violence: and more.
10. The Chairperson of GFPS Executive Committee and VP-AFA Dr. Maria Edna R. Inigo, together with GMS Focal Person, Prof. Reashiela L. Khan attended the Regional Gender and Development (GAD) Conference in celebration of ASEAN 2022 which was held on September 29, 2022 at Daraga Alvey.
11. Conducted GAD Trainers' Training Phase 2 entitled "Trainers Training on Gender Mainstreaming Evaluation Framework Workshop and Formulation of GAD Agenda" last October 10-12, 2022. The main topic of this training are about to be introduced to another valuable GAD tool to guide them in designing more gender-responsive programs for CatsU and for our province-island. The direct beneficiaries of Trainers' Training are the CatsU Extension Coordinators, GAD Coordinators, and interested GAD Advocates.
12. Initiated the GAD Clothing Pantry by the CatsU Chairperson of GFPS and VP-AFA Dr. Maria Edna R. Inigo.

Office of Gender and Development Services is mandated to undertake advocacy on gender equality and equity by implementing enabling policies and mechanisms including non-sexist programs, projects and other GAD-related activities.

CLIENT SATISFACTION

The University has remarkably obtained a high satisfaction rating from the clientele who rated services as Very Satisfactory and Better from the standard based-line rating of **85%**. This only showed there was a commitment in the services rendered each unit/office/college in dealing with their clients who seek assistance and has ease of attaining purpose of their clients that resulted in positive feedback from them.

Below is the Summary of Client Satisfaction Survey Results for Frontline and Non-Frontline Services of all campuses of FY 2022. In the Main Campus, the Frontline Services got **98.42%** while the Non-Frontline Services obtained a rating of **98.88%**. In like manner, the Panganiban Campus has obtained a rating of 99.61%. In the 1st Semester, 2022-2023, Frontline Services has obtained a satisfaction rating of **98.94%** while the non-frontline has a rating of **98.90%** at the Main Campus. Hence, the Panganiban Campus obtained a rating of 99.61% satisfaction level. With these results, it could be inferred that the level of satisfaction obtained shown positive feedback in terms of customer services rendered by the Frontline and Non-Frontline employees of the University.

HYMN CATANDUANES STATE UNIVERSITY

I

With fervor in our hearts,
we blaze the trail of knowledge,
In unison, we proclaim your splendor,
As we march towards the future.

Refrain

Catanduanes State University,
Builder of hope, our vision's
robust groundwork.
Catanduanes State University,
Our very own CatSUI

II

With unfaltering faith,
We implore God's blessing,
That our dreams bloom into fruition,
And bring us all to our shared aspiration;
Together, we hail, and resound thy glory!
Pillar of wisdom, wellspring of virtue,
Our truly lofty CSU.

III

Verdant gem in the eastern seas,
Your radiance illumines our path;
From this island to the global community,
We pledge to hoist your name,
With esteem and dignity.

(Repeat Refrain)

Music by Prof. Leticia A. Tolledo

Lyrics by Gerry S. Rubio

Choral Rendition by CSU Voices – Prof. Cresencia G. Arcilla, Conductor

Sound Recording by Virgil Rodriguez

Accompaniment by Arcilla's Band
