FREEDOM OF INFORMATION MANUAL

pursuant to Executive Order No. 2, Series of 2016 "Operationalizing in the Executive Branch the People's Constitutional Right to Information and the State Policies to Full Public Disclosure and Transparency in the Public Service and Providing Guidelines Therefor"

PREFACE

On July 23, 2016, recognizing the Constitutional right of the people to information on matters of public concern, President Rodrigo R. Duterte issued Executive Order (EO) No. 2, otherwise known as the Freedom of Information (FOI) EO, which seeks to operationalize in the Executive Branch the people's Constitutional right to information and the State Policies to full public disclosure and transparency in public service.

The EO mandated all executive offices, including but not limited to the national government and all its offices, departments, bureaus, offices, and instrumentalities, including government-owned or -controlled corporations, and state universities and colleges to give every Filipino access to information, official records, public records and to documents and papers pertaining to official acts, transactions or decisions, as well as government research data used as basis for policy development. It further directed all government agencies under the Executive Branch to prepare and submit their respective FOI Manual containing the implementing details and guidelines specified in the EO.

In compliance with the foregoing directive in the EO and to facilitate its implementation in the University, the University formulated this FOI Manual providing the guidelines and procedure in the processing and handling of requests for information as approved by the Board of Regents of the University.
